OUR STORY

EGO is part of a global manufacturing business established in 1993, employing over 7,000 people and producing over 10 million units each year, which are sold in over 30,000 outlets in 65 countries worldwide. The market leaders in cordless outdoor power equipment in North America, EGO's relentless innovation has helped them achieve exceptional growth.

Launched into the UK in 2014, EGO continues to push the boundaries of cordless technology with a range of high performance products that have already won many global awards.

The brain power behind our battery power

EGO's commitment to innovation is driven by a talented team of over 400 highly qualified technicians responsible for developing and delivering clean, reliable power tools for today's switched-on customers. Working in our dedicated R&D centre, they partner with international teams to design innovative, durable and powerful tools that deliver superior performance. Our team of internationally and professionally recognised testing engineers also implement international safety authorisations and help define global safety and quality standards.

Innovative ways we're reducing our impact on the environment

Innovation runs right through every aspect of our organisation. Not only in the products we develop but also in the ways we operate and the places we work. In 2004 we installed a 7,000m^2 Green Roof system to our dedicated R&D facility. This has saved the equivalent of over 3,500 litres of fossil fuels each year.

The roof of our Green Power Industrial Park features a 2-megawatt photovoltaic power station. Known as 'The Blue Roof' the power this generates, year-on-year, saves the equivalent of 755 tonnes of coal, as well as cutting Sulphur Dioxide emissions by 50 tonnes and Carbon Dioxide emissions by 1677 tonnes annually.

The Green Power Industrial Park also utilises the latest in ground-source heating, air-conditioning and water-storage technologies. The ground-source heating alone saves a massive 1 million KWh of electricity annually (the equivalent of 378 tonnes of coal), cutting sulphur dioxide emissions by around 25 tonnes and carbon dioxide emissions by 839 tonnes each year.

ALL THE POWER OF PETROL. MINUS THE PETROL

For the first time in generations the outdoor power equipment market is changing. In the single biggest advancement in technology since petrol-powered mowers arrived on the scene over 100 years ago, fossil fuels are being replaced by cleaner, greener energy.

Introducing the innovative EGO Power+ system from the cordless specialists. A smarter way to power through gardening and landscaping tasks.

EGO Power+ delivers petrol-matching power, just without the noise, fuss or fumes. Our industry-leading 56V Arc Lithium battery technology offers a new level of performance, giving you the dependable power you need to keep working hard until the job's done.

The minute you try this revolutionary cordless system you'll never look back. Comfortable to use, with impressive run times and fast recharge, there are no trips to the petrol station for fuel and no more having to store highly flammable liquids. Instead, you get the freedom to work exhaust and emission free.

For real flexibility, the same 56V Arc Lithium battery fits every tool in the EGO Power+ range. Just click in the battery and you're ready to go. Plus, all EGO Power+ tools come with a domestic user 2 year warranty, plus an extra 3 years when you register your tool. Batteries have a 2 year warranty, extended by 1 year if you register your battery. The warranty for commercial users is 12 months. Further details can be found on our website.

NEW FOR 2019

MORE IMPRESSIVE TOOLS MORE GROUND-BREAKING TECHNOLOGY

The latest tools from EGO Power+ offer technological advancements that make even the toughest tasks a breeze. Whether you're cutting grass, trimming hedges, clearing leaves or tilling soil, there's a tool for every task.

Fully compatible with EGO's 56V Arc Lithium battery system, you can expect the same impressive run times and super fast recharge times as standard.

Our industry-leading 56V Arc Lithium battery works with all EGO Power+ tools, even our commercial range. With great performance and long run times, simply select your tool, click in and go

POWER BEYOND BELIEF™

KINDER TO YOU, YOUR WALLET AND THE ENVIRONMENT

See just how well our tools compare

Powered by our industry-leading 56V Arc Lithium battery, the EGO Power+ system delivers petrol-matching power but without any of the downsides. It's simpler, cleaner, quieter, and with less vibration, it's more comfortable to use. Lower running and maintenance costs means switching to EGO Power+ will lead to long term savings. Plus, with zero emissions during use, you can do your bit to reduce your impact on the environment too.

THE POWER TO OUT PERFORM PETROL

ZERO EMISSIONS DURING USE

Our 56V Arc Lithium battery gives petrol-matching power but without the fuss and fumes

LESS NOISE AND LESS VIBRATION

EGO Power+ tools always operate at lower noise and vibration levels than traditional petrol-powered tools

EASY SET UP AND STARTING

No filling up with fuel; with EGO Power+ just click in the battery and get to work

LOWER RUNNING COSTS

The cost of running an EGO Power+ product for a month is around the same as using a 2 stroke product for a day^

SAVE TIME

No more trips to the petrol station. No time-consuming servicing and maintenance to slow you down

FOLD FLAT, EASY STORE DESIGN

Unlike large, heavy petrol mowers, the EGO Power+ fold-flat design makes storage and cleaning simple

NO PETROL TO STORE

Instead, EGO's rapid charger refuels batteries in as little as 30 minutes – less than the run time you get from a full charge

^Based on average daily use of 3 litres of post mix fuel per day

EGO™

POWER+ BATTERY & CHARGER

WITH THE POWER TO OUTPERFORM PETROL, OUR INNOVATIVE RANGE OF BATTERIES AND CHARGERS DELIVER ALL THE POWER YOU NEED.

EGO POWER+ ARC LITHIUM DELIVERS THE INDUSTRY'S HIGHEST ENERGY CAPACITY

Our unique patented 56V Arc Lithium technology is designed like no other battery. It's why it performs like no other battery

Designed from the ground up to deliver petrol-matching performance, the EGO Power+ 56V Arc Lithium battery has an innovative design to maximise battery cooling. Unlike conventional brick-shaped batteries where the cells are packed together, overheat and shut down, our unique Arc design dissipates heat more effectively.

Keep Cool™ technology

It's not just the innovative Arc design that helps prevent overheating. The battery has another clever way to keep cool. Each and every cell is surrounded by our unique Keep Cool™ phase change material that absorbs heat energy and keeps individual cells at their optimum temperature for longer.

Intelligent power

Power is nothing without control. It's why the EGO Power+ 56V Arc Lithium battery is continuously controlled by software and microprocessors within the battery and by the tools' intelligent power management systems. These constantly monitor and optimise each individual cell, so you always get the very best power, performance and run time.

Exterior mounted battery

Unlike other manufacturers, our batteries fit onto the outside of our tools and are not encased on the inside which means they stay cool to deliver longer lasting power. To keep them safe and sound, the electronics are protected from dust and moisture by a resin coating and the cells are packaged in a robust case that absorbs shocks and vibrations.

Fast recharge

All this clever thinking not only delivers the industry's highest energy capacity in a portable handheld battery. It also means when it's time to recharge, the EGO Power+ 56V Arc Lithium battery is the quickest around.

POWER+ BATTERY

A BATTERY FOR EVERY TASK

From the lightest 2.5Ah to the largest in the range, as the batteries go up in size, so do the power and run time. Whatever model you decide on, they all feature our innovative 56V Arc Lithium technology, and are designed to fit all of our tools.

Power and comfort, combined

The ergonomic EGO Power+ backpack harness is the most comfortable way to enjoy our industry-leading power. An alternative option to attaching the battery directly to the tool, weight is distributed evenly for a lighter, more comfortable way to work.

CARRYING HANDLE	Yes
HIP PAD FOR BRUSH CUTTER	Quick attach (optional)
UPRIGHT STAND STORAGE	Yes
WEIGHT WITHOUT BATTERY	2.2kg
AVAILABLE AS A KIT	BH1001: Includes ADB1000 adapter

	ADB1000 ADAPTER
QUICK PLUG-IN AND OUT	Yes
COUNTERWEIGHT ADJUSTMENT	No
RUBBER MOULD PROTECTION	Yes
WEIGHT	0.6kg

POWER+ BACKPACK BATTERY

A BACKPACK BATTERIES THAT WORK AS HARD AS YOU DO

Team up your EGO Power+ tools with one of our Lithium-ion backpacks

Balancing exceptional power with user comfort, EGO's Lithium-ion BAX1300 and BAX1500 backpacks are ergonomically designed to keep you working all day long. The battery pack can be removed from the harness* allowing the battery to be shared amongst multiple users, each with their own harness.
To ensure optimum performance, efficiency and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when it's powering a tool and when it's recharging.

Designed to perform, built to last

Delivering the run times you demand, EGO Power+ backpack batteries can give you a full day's work** from a single charge. The high-quality cells, with both high power rating and high energy density, can handle up to 1,000 charge cycles. Plus, with fast recharging, you can go from empty to full in just 3.5 hours.

Flexible performance

With long run times and improved user comfort, EGO Power+ backpack batteries are perfect for all-day use. They're compatible with all EGO Power+ tools, and as the battery is on the harness and not on the tool, the tools are even lighter and easier to use.

*Note the harness straps are supplied with padded comfort straps and may appear different.
**Dependent on the tool and based on an 8 hour working day.

BAX1300
BACKPACK BATTERY

Power through a full day's work on a single charge.**
Robust and weatherproof, the ergonomic design is also comfortable to wear

	BAX1300
CAPACITY	1299Wh at 56V rated
BATTERY WEIGHT	7.8kg without harness
HARNESS	Detachable
CHARGER	CH5500E
CYCLE LIFE	Up to 1000 cycles
AVAILABLE AS A KIT	BAX1301: Includes AFH1300 harness and ADB1000 adapter

EGO™

POWER+ BACKPACK BATTERY

BAX1500
COMMERCIAL BACKPACK BATTERY

The EGO Power+ commercial backpack battery delivers the power output and run times needed for demanding jobs. In fact, it has the same power as 80% of the petrol products currently in use. All minus the noise, fumes and vibration.

To make sure it's extremely tough and durable, we tested it to the extreme too. The commercial backpack battery can handle the heaviest downpours and still power the tool. Plus, the super robust casing is designed to take all of the knocks you can throw at it.

	BAX1500
CAPACITY	1568Wh at 56V rated
CONNECTION METHOD	Adapter / Plug-in
BATTERY WEIGHT	9.0kg w/o harness
HARNESS	Detachable
WEATHERPROOF PROTECTION	IP56
CHARGER	CHX5500E
CYCLE LIFE	Up to 1000 cycles
AVAILABLE AS A KIT	BAX1501: Includes a AFH1500 harness and ADB1000 adapter

SO MUCH POWER, SO MANY BENEFITS...

COMPATIBLE WITH EVERY EGO POWER+ TOOL

HIGH-EFFICIENCY BATTERY LIFE

DETACHABLE BATTERY AND HARNESS

can be tailored to individual user for improved comfort and hygiene

WORK HEALTHIER

without strains, musculoskeletal problems or fumes

MASSIVE SAVINGS

based on 1,000 charge cycles versus daily fuel costs of £5, the backpack batteries will pay for themselves in just over 200 charges (cost per charge of backpack is 30p). Total return on investment on the lifetime of the battery is £4,500

EGO POWER+ VS PETROL

Based on a professional user purchasing a hedge trimmer, line trimmer and blower.

	COMMERCIAL RANGE		PETROL	
INITIAL OUTLAY YEAR 1				
	TOOLS £1,094		TOOLS £2,059	
	BATTERIES & CHARGERS £2,654		SERVICING £263

EGO POWER+ CHARGER

ARC LITHIUM 56V

FROM EMPTY TO FULLY CHARGED IN JUST 30 MINS

With a range of battery sizes available from 2.5Ah to 28Ah, you can choose the power you need to tackle any task. When it's time to recharge, the EGO Power+ rapid charger is the fastest on the market.
The intelligent battery control system constantly monitors each cell's power and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. In fact with the rapid charger, the 2.5Ah battery takes just 30 minutes. So with two batteries on the go, you'll have all the power you need, all day long.

EGO™
POWER+ COMMERCIAL RANGE

PETROL-MATCHING BATTERY POWER MEETS SUPER TOUGH DESIGN AND CONSTRUCTION IN OUR COMMERCIAL RANGE.

POWER+ COMMERCIAL RANGE

1014m³/h
AIR VOLUME

$$P = \frac{F \times D}{T}$$

When we created our EGO Power+ commercial range we set our standards high. Not content with developing a range of tools that redefined what cordless tools can do – we looked to deliver power and performance that exceeds their petrol-powered equivalents.

Designed to work harder, all-day every day, in the most challenging conditions. This range of high-spec tools and backpack battery take petrol-free working to a whole new level, ensuring productivity levels remain high.

Built to last and last

All tools in the commercial range are engineered to last longer, so you can cut maintenance time down to size. And because they are quieter, lighter with no fumes and less vibration, you can work comfortably for longer.

New range – same compatibility

EGO is a name you can rely on. With a history of cordless power innovation, we know the ability to mix and match batteries, backpacks, harnesses and tools is vital. This level of complete flexibility continues with the commercial range.

Download our latest whitepaper to find out how to increase safety, productivity, sustainability and cost-effectiveness

4000-6000rpm
NO LOAD SPEED

SUPER TOUGH. SUPER POWERFUL. INTRODUCING THE EGO COMMERCIAL RANGE

3600spm
NO LOAD SPEED

POWER+ COMMERCIAL RANGE

LESS VIBRATION, LESS NOISE, MORE USER FRIENDLY

Another great reason for choosing EGO is that you can power through any job, without the excess physical stresses and strains associated with heavy, noisy and vibrating petrol-powered tools.

A big benefit of choosing EGO's low-vibration cordless tools is how they help users avoid the risk of Hand-Arm Vibration Syndrome (HAVS). Also known as 'Vibration White Finger' it causes painful and disabling disorders of the blood vessels, nerves and joints.

$$P = \frac{F \times D}{T}$$

VIBRATION 1.67m/s²

NOISE LpA 80dB(A)

CARBON FIBRE SHAFT

CUTTING CAPACITY: 33MM | TOOTH DEPTH: 20MM

3600spm
NO LOAD SPEED

Designed so you can work comfortably all day long

With a smooth brushless motor and fewer moving parts, all EGO Power+ tools have been designed to operate with low levels of vibration, often under the 2.5m² Exposure Action Value limit (EAV) and well below the Exposure Limit Value (ELV).

This allows you to comfortably work with them all day long without any risk to your health. So, choose EGO Power+ and protect yourself every working day.

They are much quieter too

Let's face it. Petrol tools are noisy and daily exposure can lead to hearing loss and also tinnitus – a permanent ringing sensation in the ears. Fortunately the EGO Power+ range is much quieter than petrol-powered alternatives, reducing the risk of potential damage, especially over long-term use.

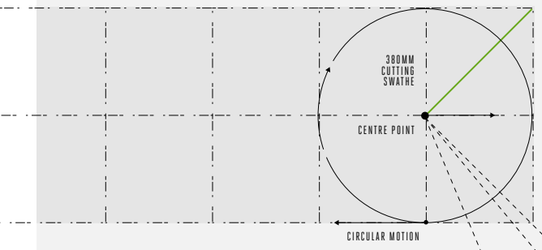
Operating noisy equipment can also lead to an increase in work-related stress. Many factors are known to contribute to this condition and rarely there is a single cause. However, because EGO Power+ tools operate at lower sound levels, the working environment is quieter and less stressful for the user.

NOISE: LpA 80dB(A) | VIBRATION 1.67m/s²

POWER+ COMMERCIAL LINE TRIMMER/BRUSH CUTTER

4000-6000rpm
NO LOAD SPEED

THE TOUGH ANSWER TO ROUGH GROUND



Perfectly balanced for comfortable use, EGO's commercial line trimmers / brush cutters make short work of even the roughest ground. Power comes from EGO's commercial backpack battery and the ready-for-anything 2KW motor.

Light yet strong, the solid steel drive shaft is housed in a carbon fibre drive tube. Unlike alloy shafts, it won't bend and lose its shape over time, keeping vibration levels to a minimum.

NOISE: LpA 81dB(A) | VIBRATION: 1.9m/s²

BCX3800
COMMERCIAL LINE TRIMMER / BRUSH CUTTER

CUTTING CAPACITY: 33MM
TOOTH DEPTH: 20MM

3600spm
NO LOAD SPEED

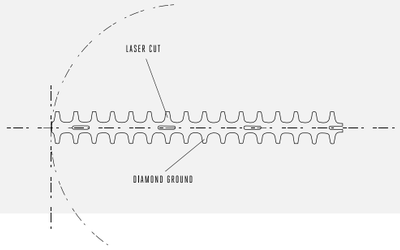
CUTS CLEANER, RUNS LONGER. MAKES CUTTING HEDGES SHORT WORK

Designed for professionals, the commercial hedge trimmers are precision engineered to tackle the toughest hedges with ease.

Powered by the petrol-matching commercial backpack battery, a single charge delivers impressive run times. While the smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a petrol engine.

Blades that cut cleanly

The high-quality EGO Power+ blades are made from laser-cut steel with diamond-ground edges to provide the cleanest cut and promote healthier hedges.



INCLUDES SCABBARD
For safe storage

HTX6500
65CM COMMERCIAL HEDGE TRIMMER

Powerful, smooth and perfectly balanced, the dual trigger system provides enhanced user comfort and safety. Making it perfect for any job, big or small

OUTPOWERS PETROL POWERED BLOWERS

Setting a new standard for blowers, the LBX6000 is the most powerful handheld blower on the market. Delivering more blowing time, more comfort and more power than petrol.

With the ability to blow over 1014m³ of air per hour on Boost mode, the leaves and the competition don't stand a chance.

LBX6000
COMMERCIAL BLOWER

Designed to be used with the commercial backpack battery BAX1500, this powerful blower is light and easy to handle. Plus, the smooth brushless motor reduces vibration and noise compared to its petrol-powered equivalents

EGO™
POWER+ MULTI-TOOL

WE'VE RE-DEFINED FLEXIBLE WORKING. CUT, SAW, EDGE AND MORE. ALL WITH ONE POWER UNIT AND ALL WITHOUT THE FUSS AND FUMES OF PETROL.

EGO™
POWER+ MULTI-TOOL

ARC LITHIUM 56V

THE EGO POWER+ MULTI-TOOL. ONE TOOL, LOTS OF OPTIONS

With a single power unit and a range of high-tech attachments, the EGO Power+ multi-tool lets you breeze through a variety of jobs. Whether you're cutting grass, edging lawns, trimming hedges, sawing branches or tilling soil, switching between attachments is quick and easy thanks to our simple and secure tool-free coupling system. Plus our extension pole gives you the reach to tackle any height. Add to that our innovative 56V Arc Lithium battery and you have all the power you need, without the fuss or fumes and with less noise than traditional petrol-powered tools.

Attachments available:

- Hedge trimmer
- Short hedge trimmer
- Pole saw
- Line trimmer
- Brush cutter
- Edger
- Cultivator
- Extension pole

EGO™
POWER+ MULTI-TOOL

THE POWER
TO TACKLE ANY TASK

One revolutionary power unit. Seven ways to use it.

Our most versatile tool yet, the EGO Power+ multi-tool makes more possible. Featuring seven different attachments, easily switch from trimming to cutting to sawing to edging to tilling.

ARC LITHIUM 56V

LINE TRIMMER

Trim grass along fences and walls with professional precision. Includes our Rapid Reload head, making it easier than ever to replace line.

BRUSH CUTTER

Made tougher, the brush cutter is built to deal with difficult undergrowth. From thick grass to tough weeds and undergrowth, cut through the most troublesome tasks with ease.

HEDGE TRIMMERS

With our standard version ideal for shaping high and wide hedges and branches, and our short version for lower tasks, the head angle is adjustable to suit the job at hand and allows for storage in small spaces.

EDGER

Give lawns a professional finish with the edger attachment. Ideal for neatening edges along paths, driveways or flowerbeds.

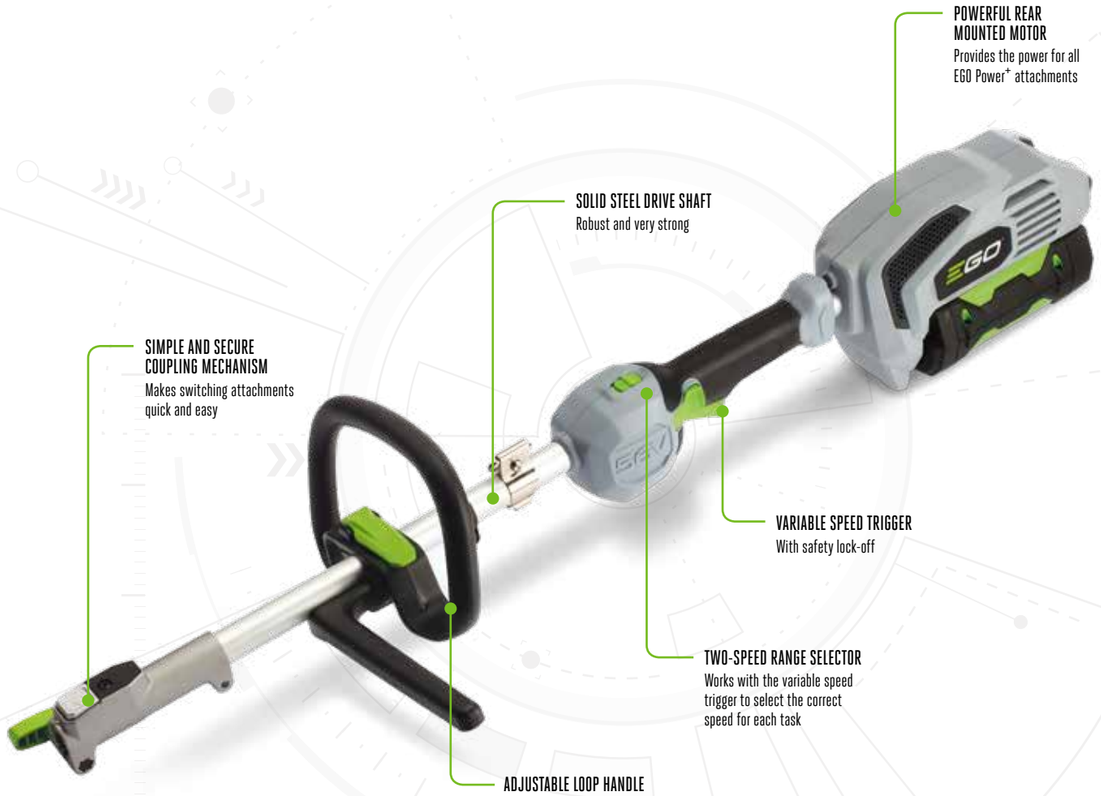
POLE SAW

Slices through tree branches fast and efficiently. Combine with the carbon fibre extension pole to reach further and cut more.

CULTIVATOR

The cultivator's teeth prepare soil prior to planting. Removing weeds and introducing air, it creates a loose bed, encouraging the growth of healthy plant life.

EGO™
POWER+ MULTI-TOOL



PH1400E
MULTI-TOOL POWER HEAD

With a powerful and smooth high-efficiency brushless motor, it's lightweight, perfectly balanced and ready for any job, big or small

POWER+ MULTI-TOOL KITS

BE READY FOR ANYTHING WITH EGO POWER+ MULTI-TOOL KITS

A great value way to enjoy all the benefits of petrol-free power, EGO Power+ multi-tool kits combine the tools you need, with the power and performance to get the job done.

ARC LITHIUM 56V

MULTI-TOOL KIT MHCC1002E

With everything you need to tackle all jobs above the ground, this kit includes the power head with hedge trimmer and pole saw attachments together with a 2.5Ah battery and rapid charger.

Includes:

PH1400E - Power head

HTA2000 - Hedge trimmer attachment

PSA1000 - Pole saw attachment

BA1400E - 2.5Ah battery

CH5500E - Rapid charger

MULTI-TOOL KIT MHSC2002E

Our ultimate multi-tool kit includes the power head with line trimmer, hedge trimmer, pole saw and edger attachments, along with a 5.0Ah battery and rapid charger.

Includes:

PH1400E - Power head

STA1500 - Line trimmer attachment

HTA2000 - Hedge trimmer attachment

PSA1000 - Pole saw attachment

EA0800 - Edger attachment

ABB1203 - Brush cutter blade

BA2800E - 5.0Ah battery

CH5500E - Rapid charger

EGO™ POWER+ MOWER

WITH A RANGE OF CUTTING CAPACITIES, POWERFUL VARIABLE SPEED MOTORS AND SELF-PROPELLED MODELS, TACKLE ANY SIZE LAWN WITH EASE.

EGO POWER+ MOWER

ARC LITHIUM 56V

CUTS LIKE A PETROL MOWER. JUST CUTS OUT THE PETROL

Significantly quieter than a petrol mower with far lower service costs and zero emissions during use, the EGO Power+ mower range offers a variety of cutting capacities.

The variable speed self-propelled motor keeps you in control as you cut. Plus on a single charge our battery gives you up to 1000 sqm cutting area*. Automatic Variable Speed on selected models, delivers optimal cutting speed to maximise battery run time whilst maintaining grass cutting performance.

The 3-in-1 functionality lets you cut, bag or drop clippings while the LED headlights let you work further into the day. And when you're done, the easy-fold design makes cleaning and storage simple.

*Cutting area can vary depending on model and battery as well as condition of grass and user operation technique.

VARIABLE SPEED SELF-PROPELLED MOTOR
KEEPS YOU IN CONTROL AS YOU CUT

FOLDS IN SECONDS
For convenient storage and easy cleaning

Please note: some features are not available on all models

EGO™ POWER+ MOWER

A MOWER FOR EVERY LAWN. THE RIGHT TOOL FOR THE JOB

The EGO Power+ mower range showcases a variety of specifications designed to make lawn care quicker, easier and more efficient. And with model sizes ranging from 42cm to 52cm cutting width, there's an option for every task.

Technologically advanced in every way, each mower packs incredible petrol-matching power as standard. Thanks to our revolutionary Arc Lithium 56V battery system, they make minimal noise, emit zero fumes, and start up at the touch of a button. Plus, with an easy-fold design, they're surprisingly simple to store.

While these benefits apply to all EGO Power+ mowers, key differences make some models better suited to specific kinds of gardens.

ARC LITHIUM 56V

CHOOSING THE RIGHT MOWER:

Small, tight spaces, or close to trees

For smaller spaces and improved precision around obstacles, self-propelled mowers with a smaller cutting capacity are ideal.

LESS ROOM TO WORK WITH?
Our compact 42cm model LM1700E is perfect for smaller spaces.

Bigger, open spaces

A mower with a wider cutting capacity will help you cover more ground in fewer passes. Opting for a bigger battery will increase run time, as will automatic cutting speed control. For a quick clean-up, a larger capacity bag can collect more grass and needs emptying less often.

LARGER LAWN?
Try our 52cm model LM2120E-SP which makes even the biggest jobs feel small.

Sloped ground

Using a self-propelled mower takes the strain out of pushing the mower uphill.

Additional comfort

If comfort is a priority, poly deck models are the lightest option. Self-propelled mowers require less effort, and with an adjustable handle, you can decide on the most suitable height.

Finishes

EGO Power+ mowers come in two finishes: poly deck and steel.

Grass collection

There are 3 different ways that EGO Power+ mowers deal with cut grass. Great for lawns that aren't too thick, mulching redistributes grass particles and fertilising nutrients. Having a side discharge allows for quicker mowing through thick and long grass. Bag collection keeps lawns clear of any cuttings.

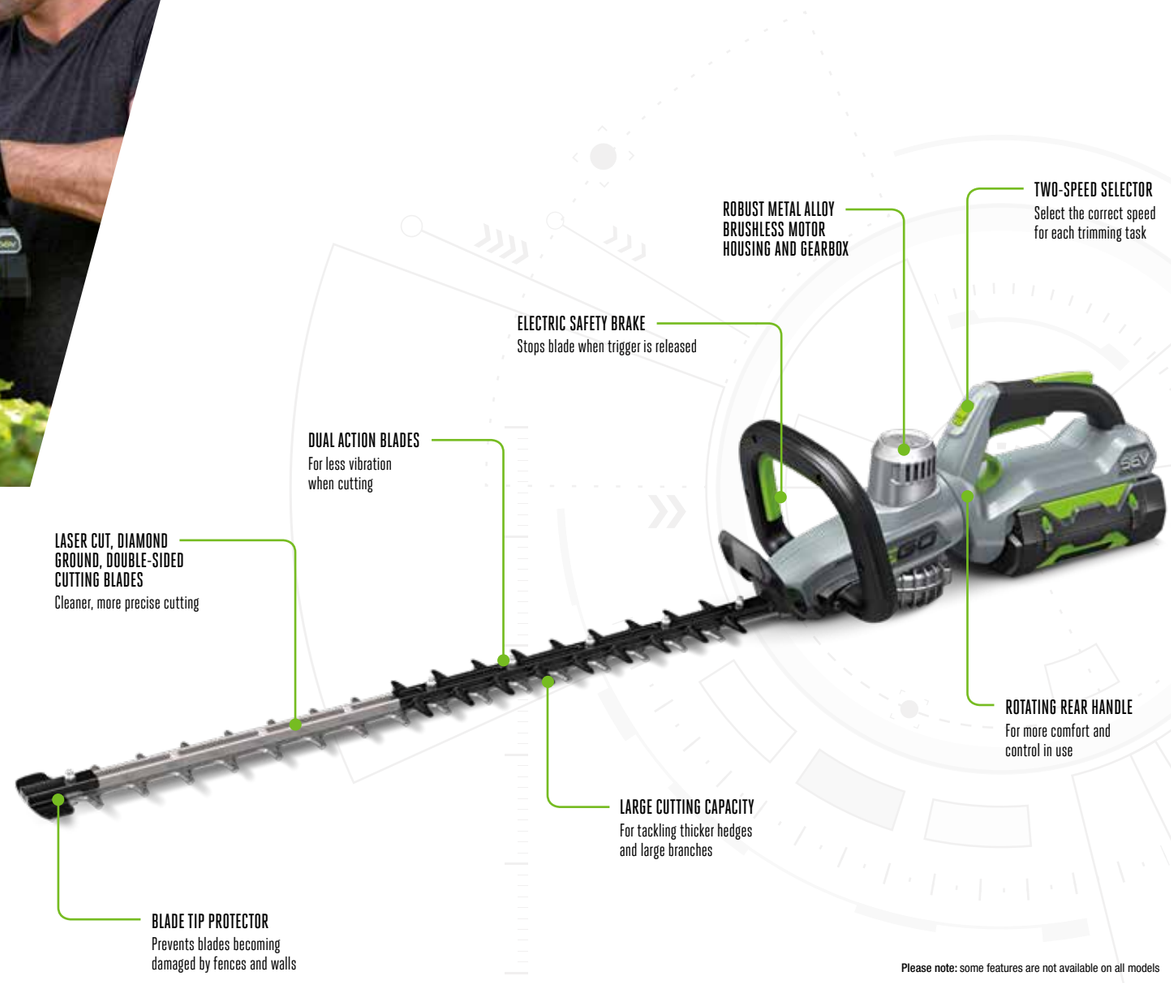
POWER+ HEDGE TRIMMER

LIGHT, YET POWERFUL, OUR NEXT GENERATION OF CORDLESS HEDGE TRIMMERS GIVE YOU ALL THE COMFORT AND CONTROL YOU NEED TO GET THE JOB DONE.

EGO™
POWER+ HEDGE TRIMMER

ARC LITHIUM 56V

DIAMOND GROUND LASER CUT BLADES
FOR PRECISE CLEAN CUTS



BALANCED, PRECISE, POWERFUL

Powered by the petrol-matching 56V Arc Lithium battery, a single charge delivers such impressive run times that you'll be amazed at how much hedge you can cut.

The well-balanced design also has a number of clever features to make using for long periods of time more comfortable. The rotating handle and dual trigger system provide enhanced user comfort and safety. While the smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a petrol engine.

Please note: some features are not available on all models

POWER+ 12V SHRUB/GRASS SHEARS

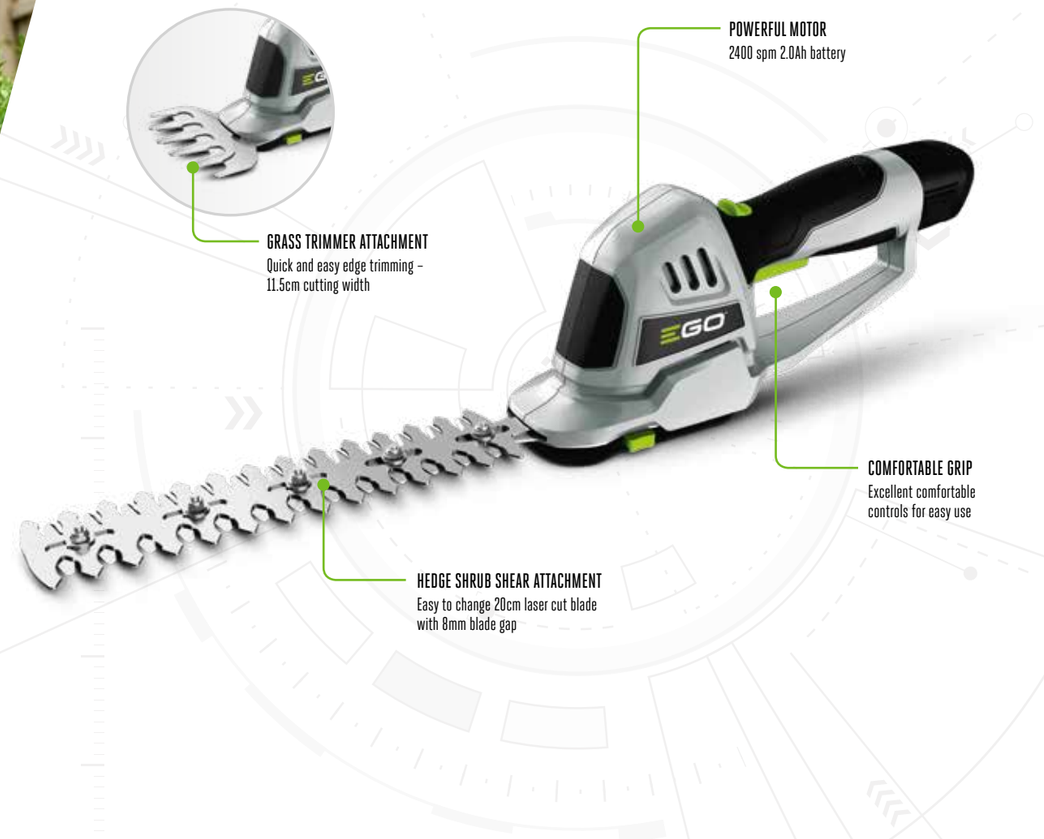
COMPACT WITHOUT COMPROMISE

They may be compact, but they don't compromise on power. Brought to life by a 12V Lithium Ion battery, the EGO Power+ shrub/grass shears are ideal for everyday garden maintenance.

With two attachments included, use the shrub blade to shape and maintain smaller hedges and ornamental trees, or switch to the grass trimmer blade to tackle areas of grass that mowers can't reach. A lightweight, ergonomic design allows for unparalleled precision in either mode, so you can get the perfect result every time.

Simple to use and easy to store, they're are an essential addition to every gardener's arsenal.

DUAL ACTION DESIGN FOR UNPARALLELED PRECISION



CHT2001E
12V SHRUB/GRASS SHEARS

Single speed 20cm blade length, 8mm blade gap with single knife edge cutting action. Can be used as either shrub or grass shears

	CHT2001E
BLADE LENGTH	20cm
BLADE GAP	8mm
RUN TIME	Up to 30 mins
SPEED CONTROL	Single-speed
NO LOAD SPEEDS	2400 spm
BLADE TYPE	Laser cut
CUTTING ACTION	Dual action; double-sided cutting blade
BLADE TIP PROTECTOR	No
STANDARD BATTERY	2.0Ah
CHARGE TIME	3.5 hours
WEIGHT WITH BATTERY	1.13kg

EGO™
POWER+ CHAINSAW

BUILT FOR THE TOUGHEST JOBS, POWERED BY OUR 56V ARC LITHIUM BATTERY TECHNOLOGY, NOTHING GETS IN THEIR WAY.

EGO™ POWER+ CHAINSAW

ARC LITHIUM 56V

IT CUTS, CUTS AND CUTS SOME MORE

The EGO Power+ chainsaws are built tough to tackle even the hardest jobs. Trunks, logs, branches, nothing gets in their way.

The tool-free chain tensioning makes set up and adjustment simple. Check the lubrication level through the oil inspection window and you're ready to go.

It really cuts it when it comes to safety too. The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus with EGO's 56V Arc Lithium battery delivering such an impressive run time and incredible power on a single charge, it'll keep you working cut after cut after cut.

TOOL-FREE CHAIN TENSIONING AND DURABLE BAR AND CHAIN

EGO POWER+ BLOWER

WITH HIGH-EFFICIENCY BRUSHLESS MOTORS AND JET TURBINE TECHNOLOGY, EGO POWER+ BLOWERS OFFER MAXIMUM AIRFLOW WITH MINIMUM EFFORT.

EGO™

POWER+ BACKPACK BLOWER

ARC LITHIUM 56V

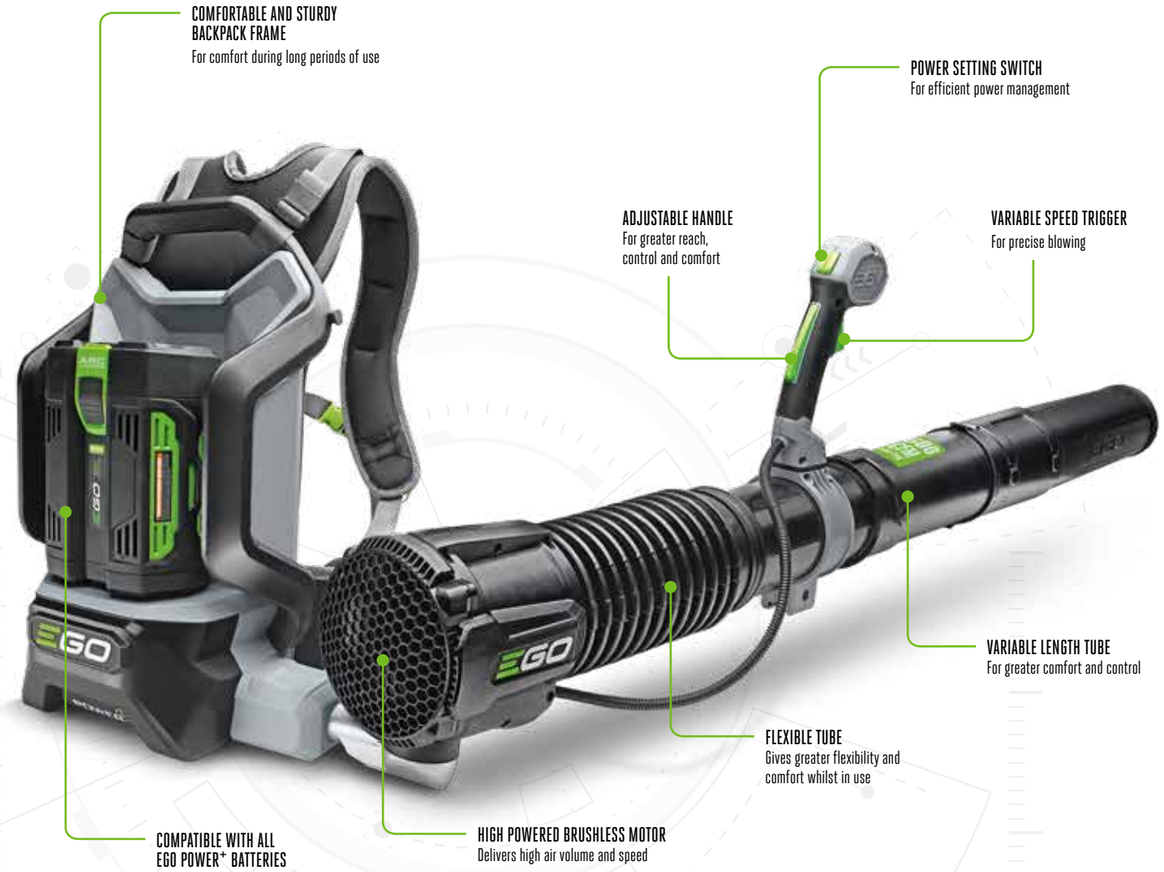
Power setting switch

THE BACKPACK BLOWER THAT PACKS A PUNCH

Big jobs need big power. And that's what the EGO Power+ backpack blower delivers. With the ability to blow over 1020m³ of air per hour on Max mode, the leaves don't stand a chance. With up to 2 hours run time* you can cover plenty of ground too.

But there's more to this clever blower than simply packing a punch. The smooth brushless motor significantly reduces vibration compared to its petrol-powered equivalents. It's a lot quieter too. The comfortable padded backpack frame supports the blower, taking the strain off your arm and distributing the weight more ergonomically, making the backpack blower perfect for those really big jobs.

*120min. at 440 m³/h with 5.0Ah battery - Low air setting



LB6000E
BACKPACK BLOWER

The hugely powerful, yet ergonomic design is easy to use and packed with all the features you need

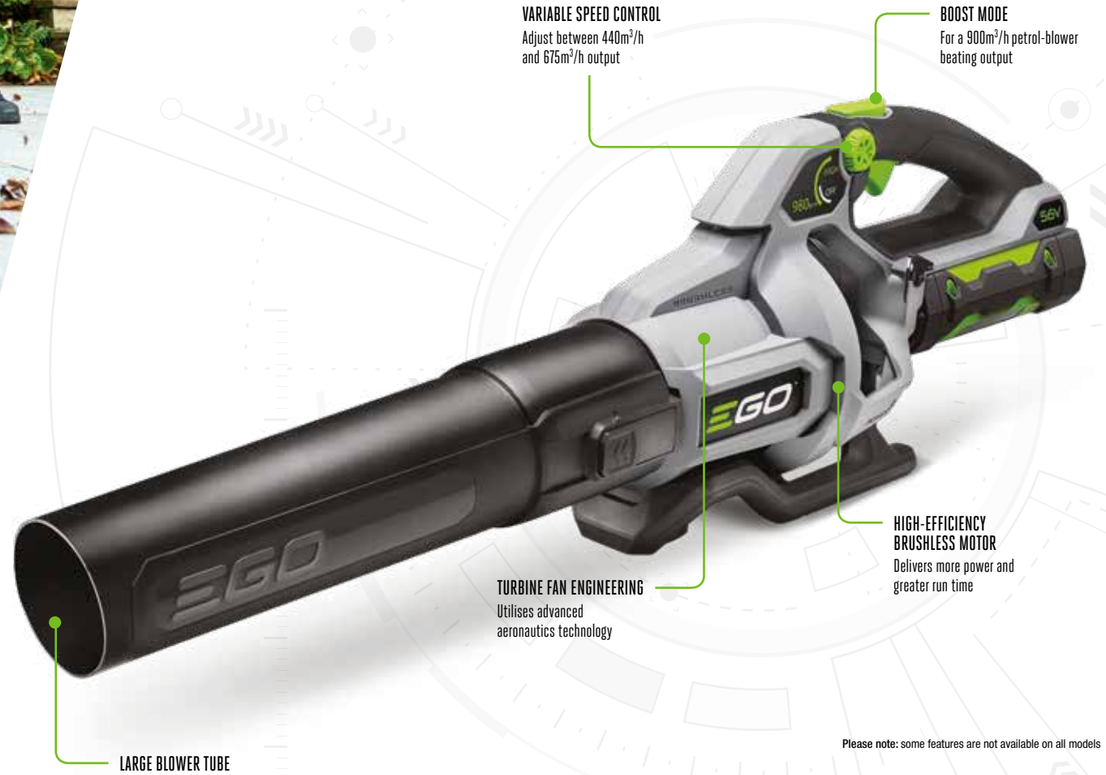
EGO POWER+ BLOWER

ARC LITHIUM 56V

BLOWS PETROL-POWERED BLOWERS OUT OF THE WATER

Powered by a high-efficiency brushless motor, EGO Power+ blowers feature jet turbine technology and a large diameter tube to give maximum airflow. With a variable speed function designed to keep you in control, selected models also feature a Boost mode, delivering extra power for those hard to move objects. More than most handheld petrol blowers on the market. That's more than enough power to clear up even the biggest windfall.

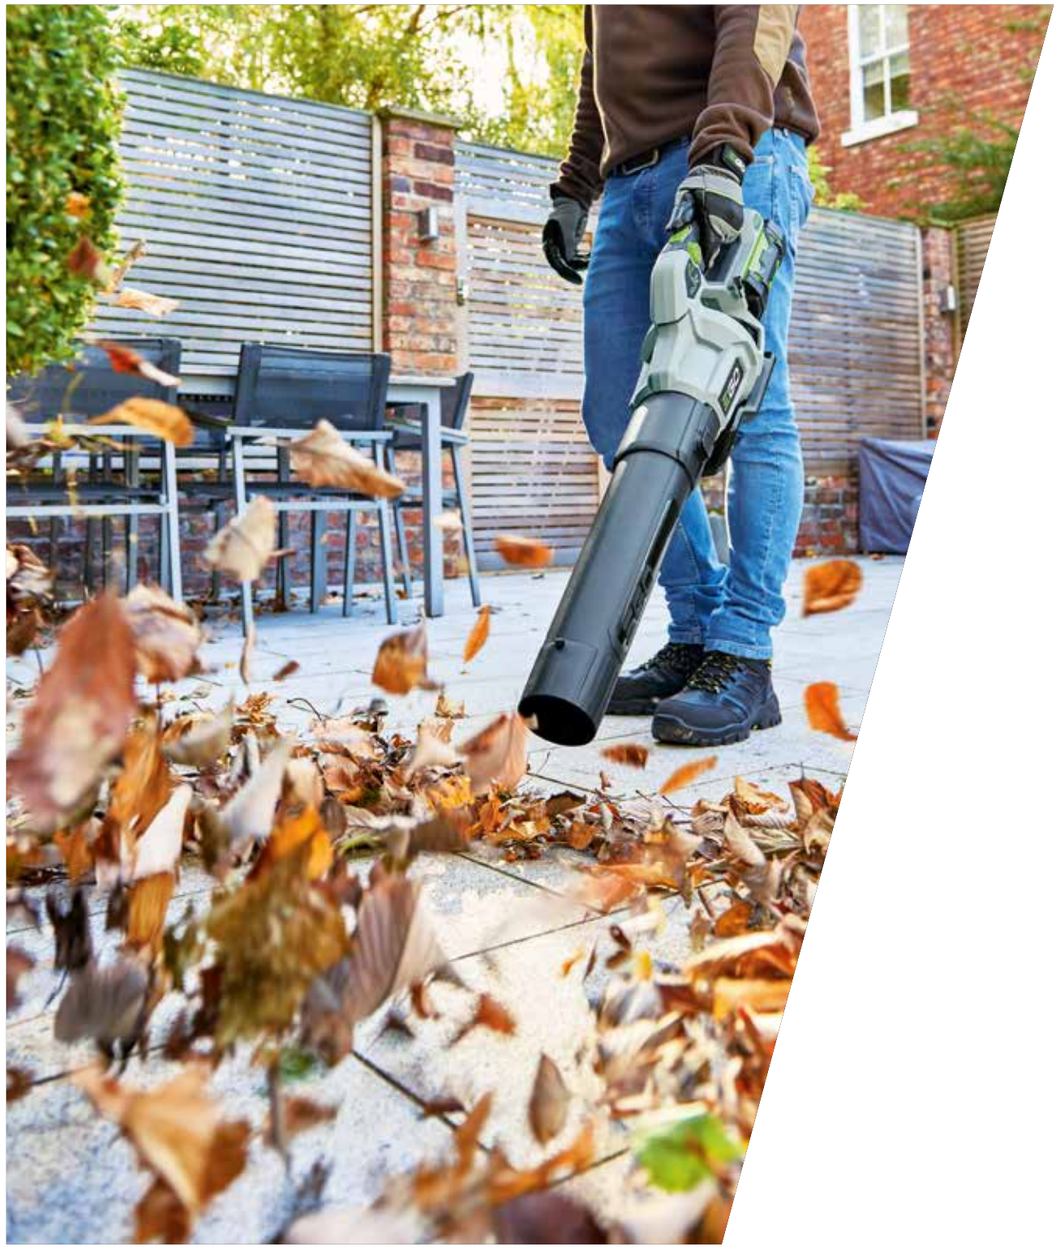
JET TURBINE TECHNOLOGY WITH LARGE DIAMETER TUBE TO GIVE MAXIMUM AIRFLOW



Please note: some features are not available on all models

EGO POWER+ BLOWER

ARC LITHIUM 56V



LB5300E
BLOWER

Variable speed setting, large blower tube, up to 900m³/h output in Boost mode

900M³/H BOOST | VARIABLE SPEED CONTROL | BRUSHLESS MOTOR | USE WITH EGO POWER+ BACKPACK

AVAILABLE AS A KIT

LB5800E
BLOWER

Variable speed thumb selector for added airflow control with single handed use, 986m³/h output in Boost mode

986M³/H BOOST | VARIABLE SPEED CONTROL | BRUSHLESS MOTOR | USE WITH EGO POWER+ BACKPACK

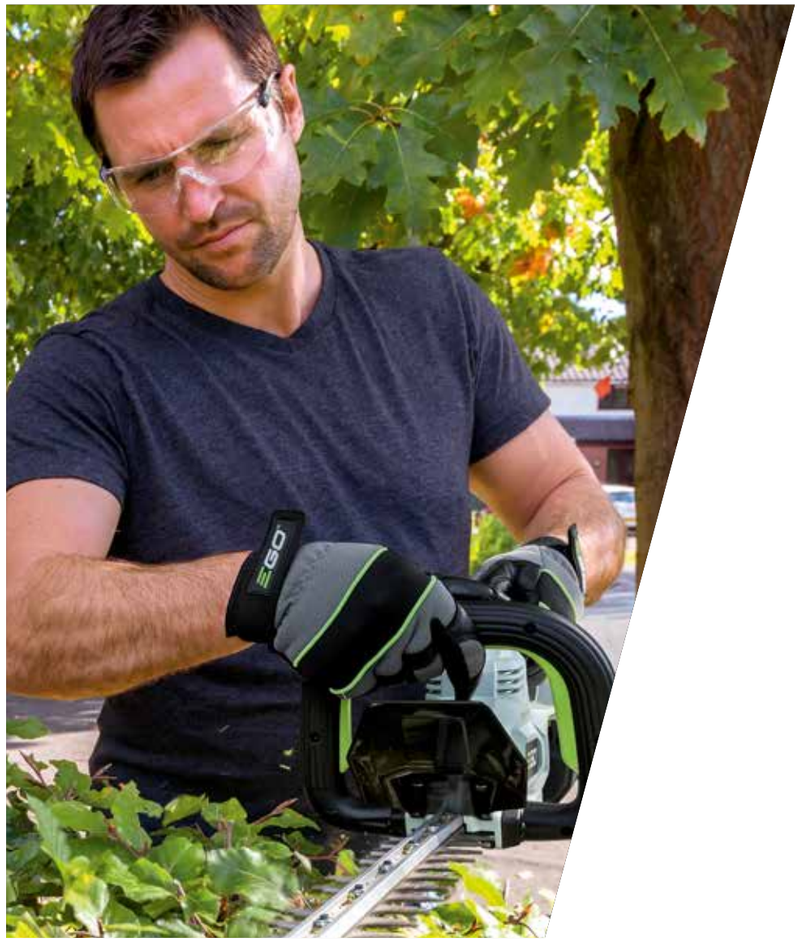
POWER+ ACCESSORIES



EVERYTHING YOU NEED TO KEEP YOU CUTTING, MOWING AND BLOWING

We've got everything you need to keep you working. And everything in the EGO Power+ range is made with the same care and precision as our power tools.

EGO POWER+ ADAPTER

ADB1000
Adapter for BAX1300, BAX1500 and BH1000

EGO POWER+ MULTI-TOOL BLADES, CHAINS AND BARS

AEB0800
Multi-tool edger blade for EA0800

AC1000
Multi-tool pole saw chain for PSA1000

AG1000
Multi-tool pole saw bar for PSA1000

ABB1203
Three-sided multi-tool brush cutter blade for STA1500, BCA1200, BC3800E and BCX3800

ACB9500
Multi-tool cultivator blade set for CTA9500

EGO POWER+ MOWER BLADES

AB2001
High lift blade for LM2000E, LM2010E, LM2024E-SP LM2010E-SP and LM2020E

AB2101
High lift blade for LM2122E-SP/LM2120E-SP

AB2000
Standard blade for LM2000E, LM2010E, LM2010E-SP and LM2020E-SP

AB2100
Standard blade for LM2122E-SP/LM2120E-SP

AB1701
Standard blade for LM1700E and LM1701E

AB1901
Standard blade for LM1900E-SP and LM1903E-SP

EGO POWER+ TRIMMER LINES

AL2015R
15m 2.0mm round line with line cutter for ST1210E

AL2050R
50m 2.0mm round line with line cutter for ST1210E

AL2015T
15m 2.0mm twist line with line cutter for ST1300E

AL2050T
50m 2.0mm twist line with line cutter for ST1300E

AL2415T
15m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

AL2450T
50m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

POWER+ ACCESSORIES

EGO POWER+ LINE TRIMMER SPOOLS

AS3800
Spool with 2.4mm twist line for AH3800. 4 metre line length

AS1301
Spool with 2.0mm round line for ST1210E. 7 metre line length

AS1302
Spool with 2.0mm twist line for ST1300E. 7 metre line length

AS1300
Spool with 2.4mm twist line for ST1500E and BC1500E. 5 metre line length

EGO POWER+ LINE TRIMMER RAPID RELOAD HEADS

AH3800
Rapid reload head (anti clockwise rotation) for BCX3800. Supplied without line

AH1500
Rapid reload head (clockwise rotation) for ST1500E-F and BC1500E-F. Supplied without line

AH1501
Rapid reload head (anti clockwise rotation) for BC3800E and STA1500. Supplied without line

AH1520
Powerload™ head with 2.4mm twist line for ST1510E. 4 metre line length

AH1530
Any Insert Head (clockwise rotation)

AH1531
Any Insert Head (anti clockwise rotation)

ABT3800
Bump-button for BCX3800

EGO POWER+ BRUSH CUTTER BLADE

ABB1203
Three-sided brush cutter blade for BCX3800

EGO POWER+ HEDGE TRIMMER TIP PROTECTOR

ATP2000
Tip protector for HTA2000

EGO POWER+ HEDGE TRIMMER BLADES

AHB6500
65cm laser hardened blade for HTX6500E

AHB7500
75cm laser hardened blade for HTX7500E

EGO POWER+ CHAINSAW CHAINS

AC1400
35cm 90PX chain for CS1400E

AC1600
40cm 90PX chain for CS1600E

EGO POWER+ CHAINSAW BARS

AG1400
35cm guide bar for CS1400E

AG1600
40cm guide bar for CS1600E

EGO POWER+ BLOWER TUBES AND NOZZLES

AN6000R
Round nozzle for LBX6000

AN6000F
Flat nozzle for LBX6000

ANT6002
Tube and nozzle for LB6000E

AN5300
Flat nozzle for LB5300E, LB5800E and LB5750E

AN5801
Wide flat nozzle for LB5800E

POWER+ ACCESSORIES

EGO POWER+ SHOULDER STRAPS

AP1500
Single-shoulder harness with loop, one hook for PH1400E, MHCC1002E, MHSC2002E, ST1210E, ST1300E, ST1500E, ST1500E-F, LB5300E, LB5600E, LB5750E, BC1500E, BC1500E-F and BC3800E

AP4800
Single-shoulder harness without loop, two hook for LB4800E only

EGO POWER+ HARNESSES

AFH1500
Frame and double-shoulder harness with padded comfort straps for BAX1500

AFH1300
Frame and double-shoulder harness with padded comfort straps for BAX1300

ACH1500
Cable hook for BAX1500

AP1500D
Double-shoulder harness for BC1500E, BC1500E-F and BC3800E

AP1300
Replacement double-shoulder comfort straps for AFH1300

AHP1500
Brush cutter hip pad harness attachment for BAX1500

AHP1300
Brush cutter hip pad harness attachment for BAX1300 and BH1000

EGO POWER+ PROTECTIVE CLOTHING

GV001
Multi-purpose synthetic work gloves. Sizes from Small to XX-Large available

GS001
Essential clear safety glasses

GS002
Essential grey safety glasses

GS003
Essential yellow safety glasses

GSV021E-XL
Essential grey safety glasses and multi-purpose synthetic work gloves (XL)

EGO POWER+ WALL HOOK

AWH1500
Wall mounted frame for hanging BAX1500 and CHX5500

EGO POWER+ BAGS

BCS1000
Durable Chainsaw bag

BMH1000
Wheeled multi-tool bag

POWER+ PRODUCT FEATURES

EGO POWER+ MULTI-TOOL ICONS

- QUICK CHANGE — Switch tools quickly for each task
- ADJUSTABLE CUTTING ANGLE — For comfort and versatility
- XXCM CUTTING BLADE — Large cutting width for a fast and efficient cut
- ADJUSTABLE CUTTING DEPTH — Cutting depth to suit any lawn edge
- CARBON FIBRE — Lightweight and extremely strong
- XXCM CUTTING WIDTH — Wide cutting width for efficient tilling

EGO POWER+ MOWER ICONS

- XXCM CUTTING CAPACITY — Cutting width to suit any size lawn
- SELF-PROPELLED — Variable speed to suit your walking pace
- POLY CUTTING DECK — Light and manoeuvrable, while remaining durable
- METAL CUTTING DECK — Tough and durable cutting deck
- AUTOMATIC VARIABLE CUTTING SPEED — Motor adjusts to grass conditions, saving energy
- BRUSHLESS MOTOR — Highly efficient and powerful maintenance-free motor

EGO POWER+ LINE TRIMMER AND BRUSH CUTTER ICONS

- XXCM CUTTING WIDTH — Wide cutting swathe for faster, more efficient trimming
- XXCM CUTTING WIDTH — Wide cutting width for fast and effective trimming
- TWO SPEED — Two-speed motor adjustable for task and economy needs
- VARIABLE SPEED — Constantly adjustable speed to match the needs of the task
- X.XMM LINE DIAMETER — Ideally suited to the tool for the best cutting results
- POWERLOAD HEAD — Automatic line replacement in only 10 seconds
- BUMP LINE FEED — Simple line feeding making work simple and efficient
- RAPID RELOAD HEAD — Fast and tool-free line reloading
- QUICK-ADJUST HANDLE — Adjust handle without additional tools
- BRUSHLESS MOTOR — Highly efficient and powerful maintenance-free motor
- CARBON FIBRE — Lightweight and extremely strong
- USE WITH EGO POWER+ BACKPACK — Work all day in comfort

EGO POWER+ HEDGE TRIMMER ICONS

- XXCM BLADE LENGTH — Ideal length suited to the tool for best cutting results
- XXCM CUTTING WIDTH — Fast, precise grass trimming attachment
- XXMM BLADE GAP — Enabling precise and clean cutting
- TWO SPEED — Two-speed motor adjustable for task and economy needs
- LASER CUT: DIAMOND GROUND — Precisely cut and sharpened for great results
- DUAL ACTION: DUAL KNIFE EDGE — Less vibration to tackle the toughest jobs
- ROTATING REAR HANDLE — Rotating rear handle for greater comfort and versatility
- BRUSHLESS MOTOR — Highly efficient and powerful maintenance-free motor
- USE WITH EGO POWER+ BACKPACK — Work all day in comfort

EGO POWER+ CHAINSAW ICONS

- XXCM BAR LENGTH — Ideal for all cutting tasks
- XX.XM/S CHAIN SPEED — Smooth and fast cutting
- CHAIN BRAKE — Enhancing safety while in use
- BRUSHLESS MOTOR — Highly efficient and powerful maintenance-free motor
- USE WITH EGO POWER+ BACKPACK — Work all day in comfort

EGO POWER+ BLOWER ICONS

- XXXM3/H BOOST — Increased power to clear large areas
- VARIABLE SPEED CONTROL — Constantly adjustable speed to match the needs of the task
- BRUSHLESS MOTOR — Highly efficient and powerful maintenance-free motor
- USE WITH EGO POWER+ BACKPACK — Work all day in comfort

WARRANTIES
YOU CAN RELY ON

Domestic Use

Commercial Use

At EGO we pride ourselves on manufacturing products that are not only innovative and easy to use, but reliable and robust too. And however unlikely our products are to go wrong, it's good to know that all our products are covered by a warranty* you can rely on.

All EGO Power+ tools come with a domestic user 2 year warranty, plus an extra 3 years when you register your tool. Batteries have a 2 year warranty, extended by 1 year if you register your battery. The warranty for commercial users is 1 year.

The support of our service dealer network

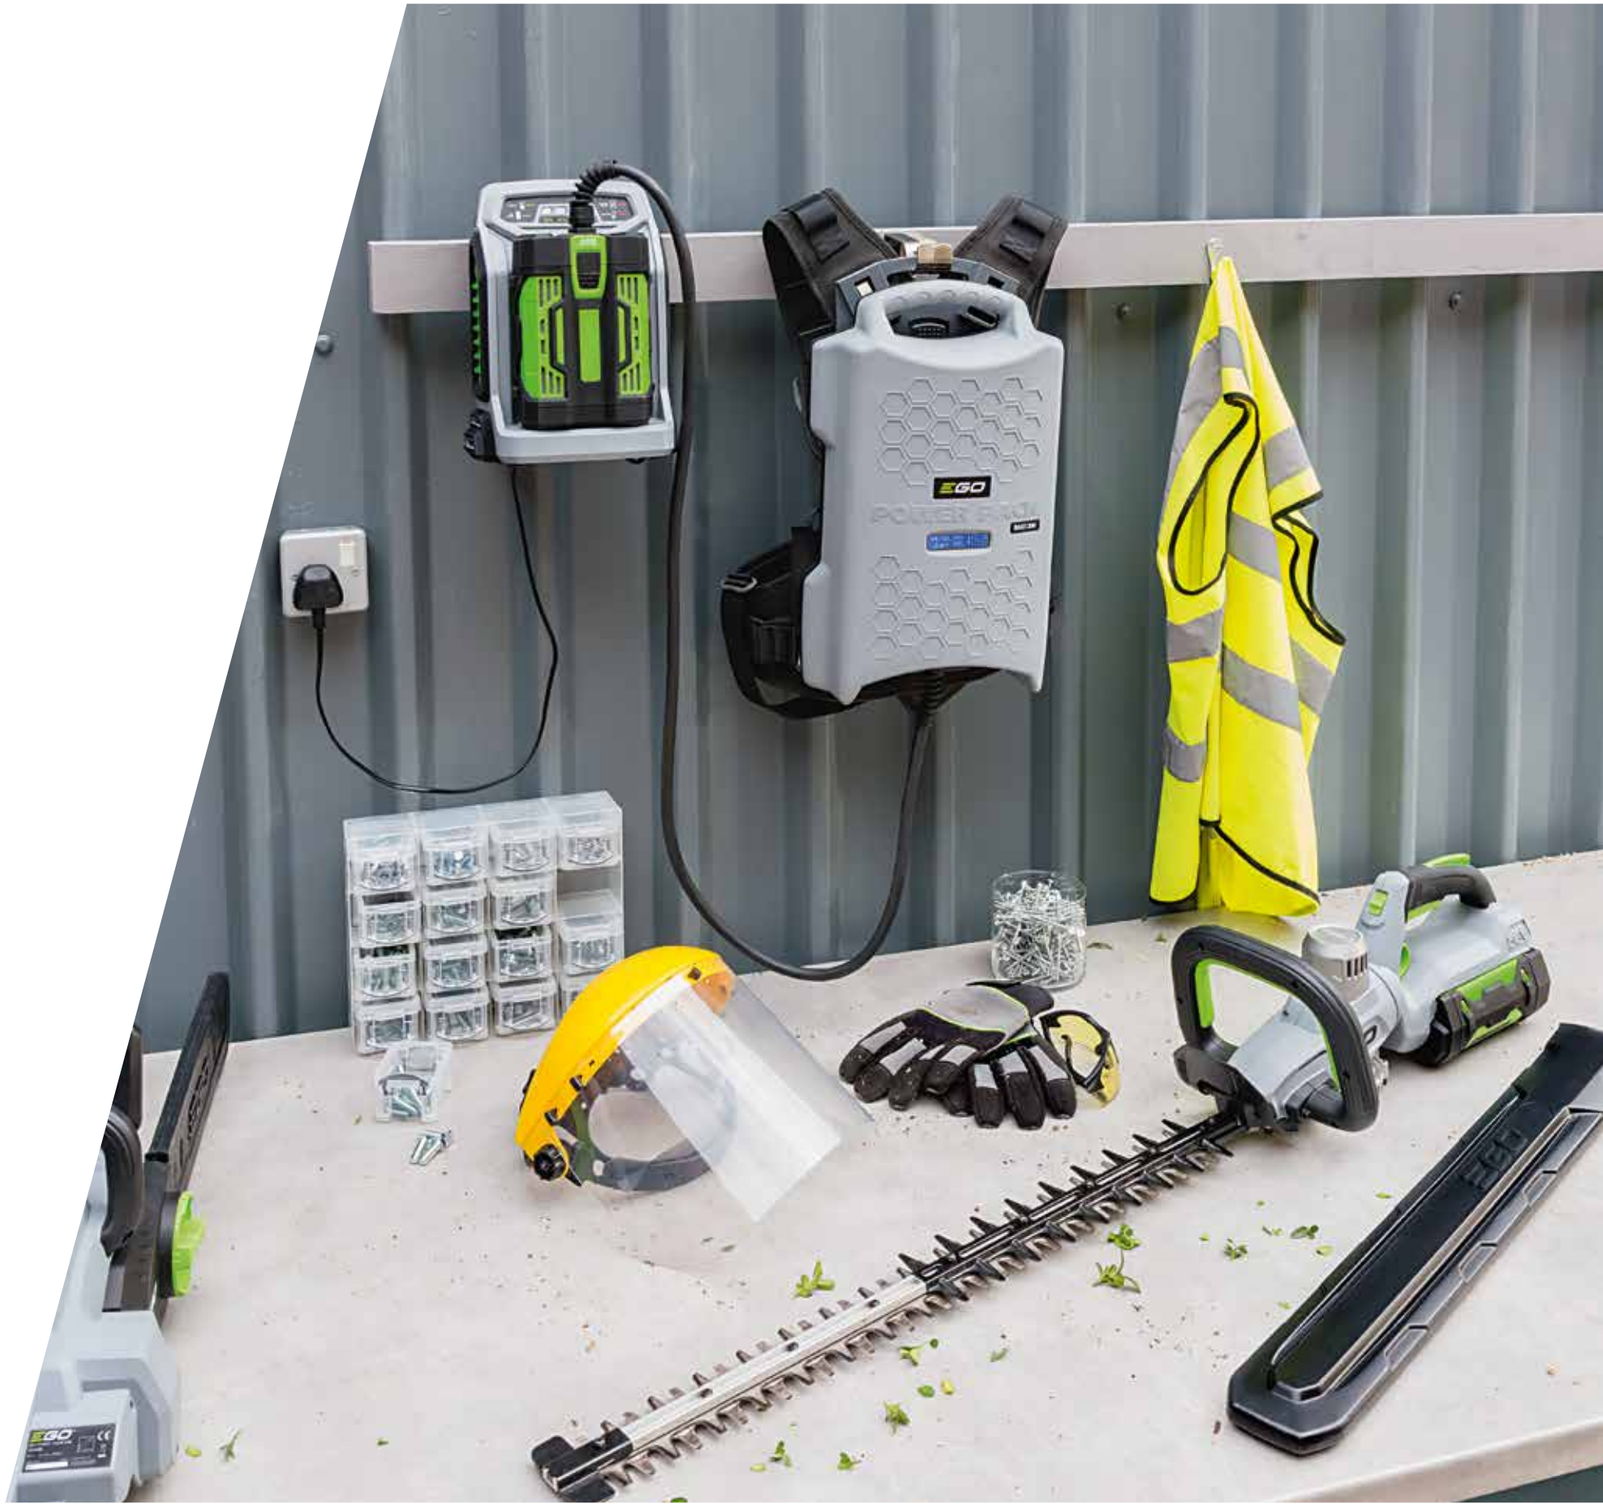
With a nationwide network of EGO approved service dealers, you're never too far from the support you need. From selecting the most suitable tools for your needs to providing an outstanding aftersales service, get great face-to-face advice whenever you need it.

Original spare parts

We're here to keep your tools running for years to come. We can provide the spare parts to extend the life of the tool.

Committed to quality

We're one of the biggest power tool manufacturers in the world with over 7,000 employees and over 10 million units manufactured each year. To make sure our tools combine petrol-matching power with the ease of use and reliability you need, we've invested heavily into research and development to become one of the world leaders in battery technology. Our advanced manufacturing process is highly digitalised and automated to ensure the consistent high quality and performance of our tools.



*For defects caused by material or manufacturing fault. This does not cover wear and tear.
