OUR STORY

EGO is part of an international manufacturing business established in 1993. Pioneers of cordless technology from the very first days, this desire for innovation and breaking new ground has helped us achieve exceptional growth.

Today we're one of the world's biggest tool manufacturers, employing more than 5,500 people. We produce over 10 million units each year, sold in over 30,000 outlets in 65 countries worldwide.

The brain power behind our battery power

Our talented team of over 300 highly qualified technicians are responsible for developing and delivering clean, reliable power tools for today's switched-on customers. Working in our dedicated R&D centre, they partner with our international teams to design innovative, durable and powerful tools that deliver superior performance.

As the industry's leading cordless specialist, our team of internationally and professionally recognised testing engineers implement international safety authorisations and help define global safety and quality standards.

Innovative ways we're reducing our impact on the environment

Innovation runs right through every aspect of our organisation. Not only in the products we develop but also in the ways we operate and the places we work.

In 2004 we installed a 7,000m² Green Roof system to our dedicated R&D facility. This has saved the equivalent of 5 litres of petrol per m² each year.

The roof of our Green Power Industrial Park features a 2 megawatt photovoltaic power station. Known as 'The Blue Roof' the power this generates, year-on-year, saves the equivalent of 755 tonnes of coal as well as cutting Sulphur Dioxide emissions by 50 tonnes and Carbon Dioxide emissions by 1677 tonnes annually.

The Green Power Industrial Park also utilises the latest in ground-source heating, air-conditioning and water-storage technologies. The ground-source heating system alone saves a massive 1 million kWh of electricity annually, the equivalent of 378 tonnes of coal. Cutting Sulphur Dioxide emissions by around 25 tonnes and Carbon Dioxide emissions by 839 tonnes each year.

ALL THE POWER OF PETROL. MINUS THE PETROL

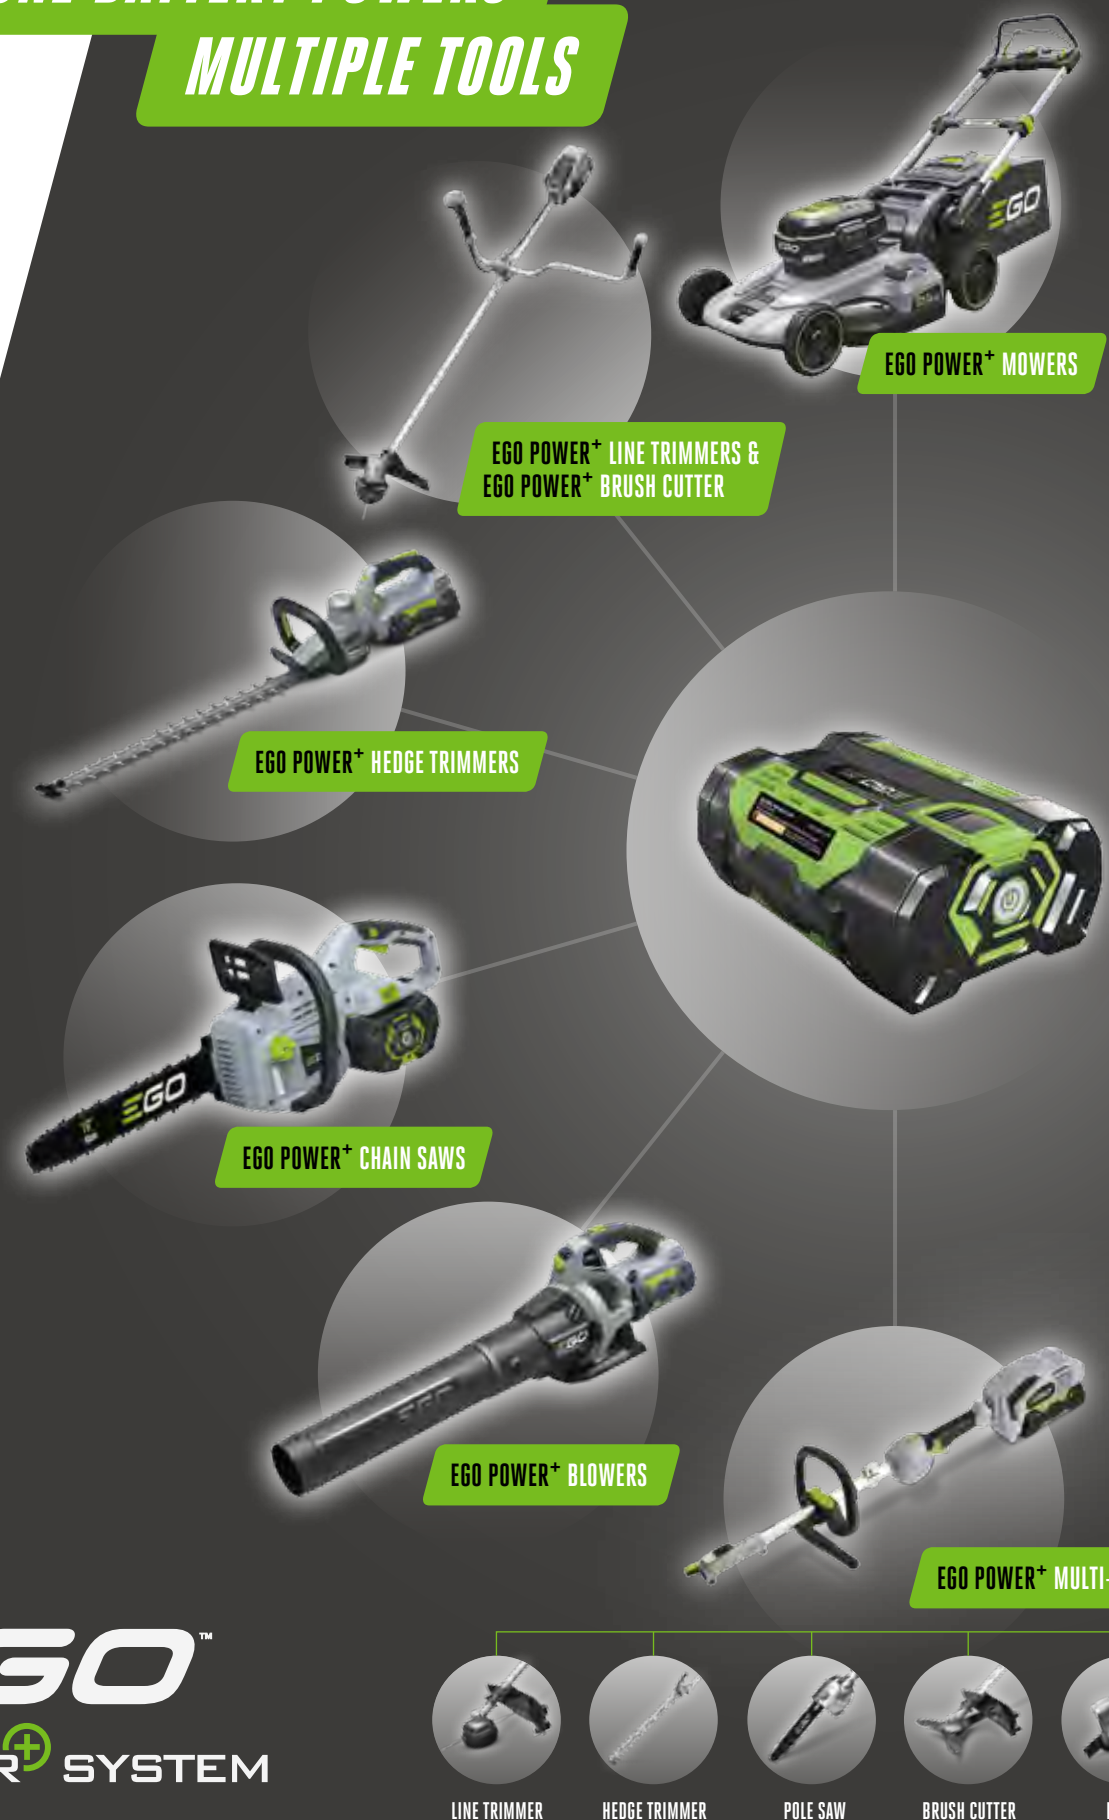

The world is changing, fast. Our whole society is moving away from fossil fuels and adopting cleaner, greener energy. It's why we believe it's time for a new, smarter way to power through gardening and landscaping tasks. Introducing the innovative EGO Power+ system from the cordless specialists.

EGO Power+ delivers petrol-matching power, just without the noise, fuss or fumes. EGO's industry-leading Arc Lithium 56v battery technology delivers a new level of performance, giving you the dependable power you need to keep working hard until the job's done.

The minute you try this revolutionary cordless system you'll never look back. Comfortable to use, with impressive run times and fast recharge it offers the ultimate in convenience. There are no trips to the petrol station for fuel and no more having to store highly flammable liquids. Instead you get the freedom to work exhaust and emission free.

For real flexibility, the same Arc Lithium battery fits every tool in the EGO Power+ range. Just click in the battery and you're ready to go. Plus, all EGO Power+ products come with a domestic user 5 year warranty on tools and 3 year warranty on batteries. The warranty for commercial users is 12 months. Further details can be found on our website.

ONE BATTERY POWERS MULTIPLE TOOLS

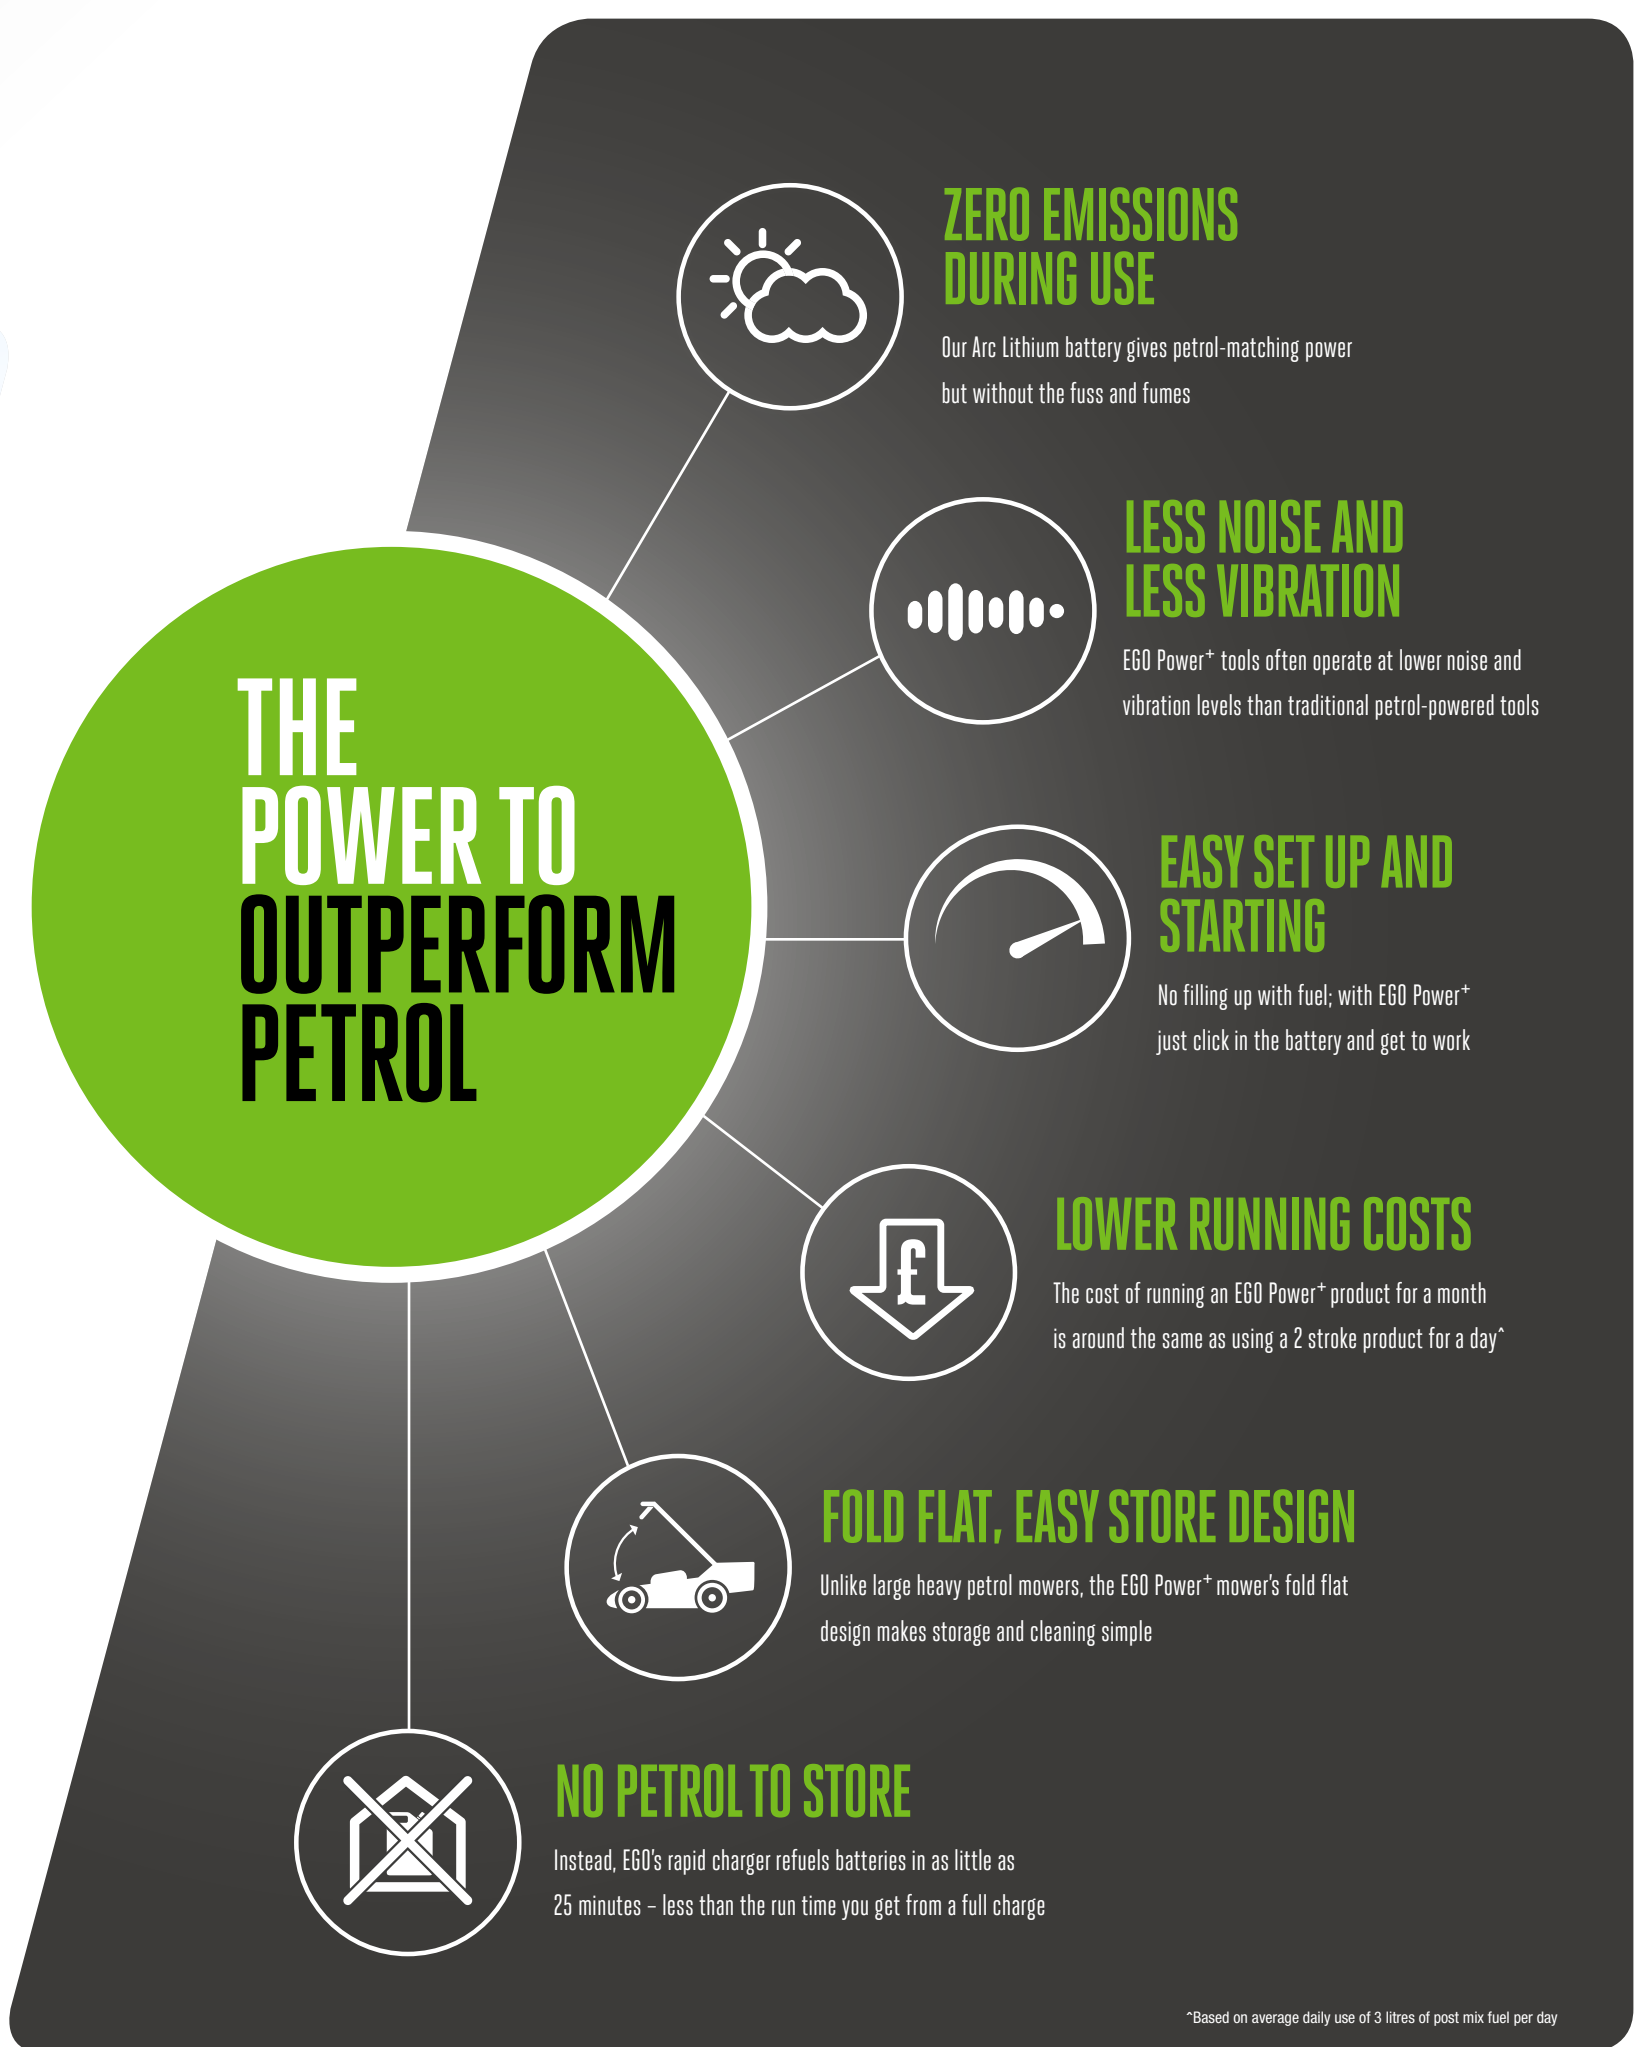

EGO
POWER+ SYSTEM

KINDER TO YOUR HANDS, EARS, WALLET AND THE ENVIRONMENT

See just how well our tools compare

Powered by our industry-leading 56v Arc Lithium battery, the EGO Power+ system delivers petrol-matching power but without any of the downsides. It's simpler, cleaner, quieter and with less vibration is more comfortable to use. With lower running and maintenance costs, switching to EGO Power+ will lead to long term savings. Plus, with zero emissions during use, you can do your bit to reduce your impact on the environment too.

LESS VIBRATION, LESS NOISE, MORE USER FRIENDLY

Those who regularly use handheld power tools may be at risk of Hand-Arm Vibration (HAV) syndrome. Also known as 'Vibration White Finger' it causes painful and disabling disorders of the blood vessels, nerves and joints.

Those affected may struggle with fine motor tasks and exposure to cold can cause extreme pain in the fingers. However HAV syndrome is preventable. One way it can be avoided is by choosing tools that vibrate less than traditional petrol-powered products; like the tools in the EGO Power+ range.

Designed so you can work comfortably all day long

With a smooth electric motor and less moving parts, the EGO Power+ mower, blower, hedge trimmer, line trimmer, brush cutter, chain saw and multi-tool have been designed to operate with low levels of vibration, often under the 2.5m/s² Exposure Action Value limit (EAV) and well below the Exposure Limit Value (ELV).

This allows you to comfortably work with them all day long without any risk to your health. So choose EGO Power+ and protect yourself every working day.

They are much quieter too

Let's face it. Petrol tools are noisy, and daily exposure can lead to hearing loss and also tinnitus – a permanent ringing sensation in the ears. Fortunately the EGO Power+ range is much quieter than petrol-powered alternatives which will reduce the risk of potential damage, especially over long-term use.

Operating noisy equipment can also lead to an increase in work-related stress. Many factors are known to contribute to this condition and rarely there is a single cause. However because EGO Power+ tools operate at lower sound levels, the working environment is quieter and less stressful for the user.

EGO ARC LITHIUM DELIVERS THE INDUSTRY'S HIGHEST ENERGY CAPACITY

**Our unique patented Arc
Lithium technology is designed
like no other battery.
It's why it performs like
no other battery.**

Designed from the ground up to deliver petrol-matching performance, the EGO Power+ Arc Lithium 56v battery has an innovative design to maximise battery cooling. Unlike conventional brick shaped batteries where the cells are packed together, overheat and shut down, our unique Arc design dissipates heat more effectively.

Keep Cool™ technology

It's not just the innovative Arc design that helps prevent overheating. The battery has another clever way to keep cool. Each and every cell is surrounded by our unique Keep Cool™ phase change material that absorbs heat energy and keeps individual cells at their optimum temperature for longer.

Intelligent power

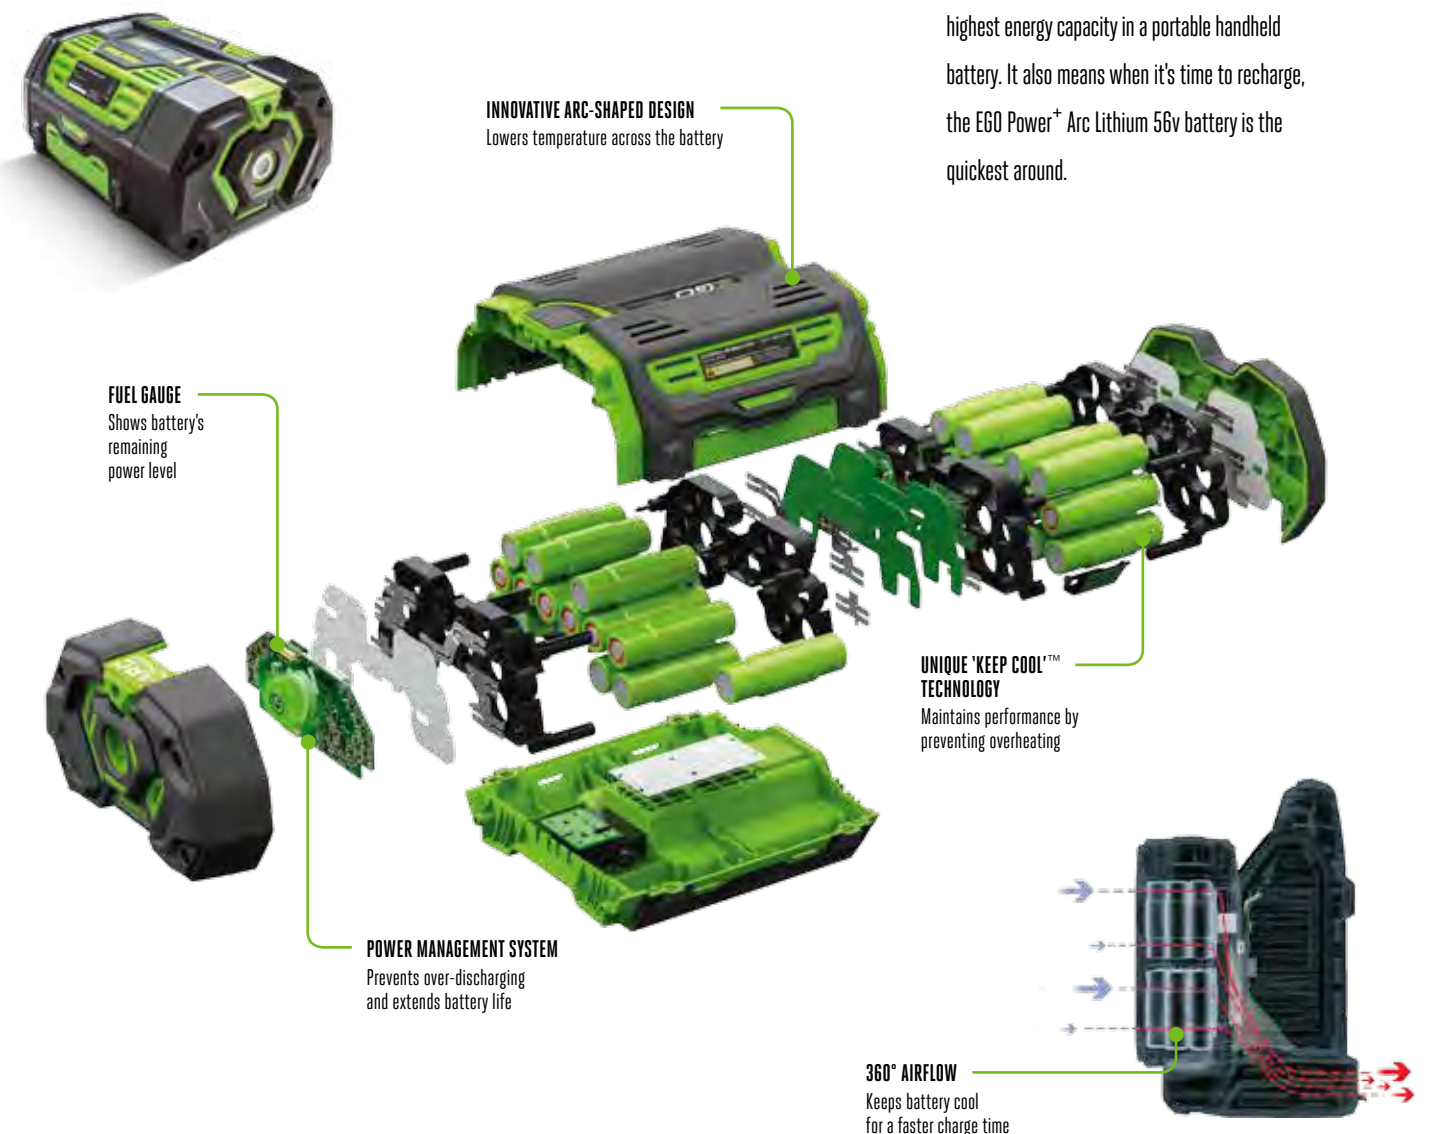

Power is nothing without control. It's why the EGO Power+ Arc Lithium 56v battery is continuously controlled by software and microprocessors within the battery and by the tools' intelligent power management systems. The EGO Power+ Arc Lithium battery is constantly monitoring and optimising each individual cell, so you always get the very best power, performance and run time.

Exterior mounted battery

Unlike other manufacturers, our batteries fit onto the outside of our tools, and are not encased on the inside which means they stay cool to deliver longer lasting power. To keep them safe and sound, the electronics are protected from dust and moisture by a resin coating and the cells are packaged in a robust case that absorbs shocks and vibrations.

Fast recharge

All this clever thinking not only delivers the industry's highest energy capacity in a portable handheld battery. It also means when it's time to recharge, the EGO Power+ Arc Lithium 56v battery is the quickest around.

FROM EMPTY TO FULLY CHARGED IN JUST 25 MINS

With a range of battery sizes available from 2.0Ah to 7.5Ah, you can choose the power you need to tackle any task. When it's time to recharge, the EGO rapid charger is the fastest on the market. The intelligent battery control system constantly monitors each cell's charge and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. In fact with the rapid charger, the 2.0Ah battery takes just 25 minutes. So with two batteries on the go, you'll have all the power you need, all day long.

EGO POWER⁺ BACKPACK BATTERY

A BATTERY PACK THAT WORKS AS HARD AS YOU DO

Team up your EGO Power+ tools with our Lithium-ion backpack

Balancing exceptional power with user comfort, EGO's Lithium-ion backpack battery is a wearable, ergonomic design that keeps you working all day long.

The battery pack can be removed from the harness* allowing the battery to be shared amongst multiple users, each with their own harness.

To ensure optimum performance, efficiency and longevity, this high-energy capacity battery system incorporates intelligent individual cell monitoring and balancing, both when it's powering a tool and when it's recharging. And to keep you updated as you work, the backlit LCD display shows battery percentage, cell diagnostics and the individual run time of whatever tool is connected.

Designed to perform, built to last

Delivering the run times you demand, this 1299 watt hour battery backpack will give you a full day's work** from a single charge. The high-quality cells with both high power rating and high energy density can handle up to 1,000 charge cycles. Plus, with fast recharging you can go from empty to full in just 4 hours.

SO MUCH POWER, SO MANY BENEFITS...

FITS THE EGO POWER+ RANGE

EGO Power+ brush cutter (BC3800E),
EGO Power+ hedge trimmers (HT5100E, HT6500E)
and EGO Power+ blowers (LB5300E, LB5750E)

HIGH-EFFICIENCY BATTERY LIFE

DETACHABLE BATTERY AND HARNESS

can be tailored to individual user for improved comfort and hygiene

WORK HEALTHIER

without strains, musculoskeletal problems
or fumes

MASSIVE SAVINGS

based on 1,000 charge cycles versus daily fuel costs of £5, the backpack battery will pay for itself in just over 200 charges (cost per charge of backpack is 30p). Total return on investment on the lifetime of the battery is £4,500

ONE BACKPACK. MULTIPLE TOOLS

Flexible performance

With its long run time and user-comfort the EGO Power+ backpack battery is perfect for all-day use. It's compatible with multiple tools, and as the battery is on the harness and not the tool, they are lighter and even easier to handle. Simply attach the adaptor to the tool and you're ready to go. So, whether you're trimming, cutting or blowing, you can power through every job with ease.

**EGO POWER⁺
MULTI-TOOL**

POWER TO REACH NEW HEIGHTS. THE NEW EGO POWER⁺ MULTI-TOOL

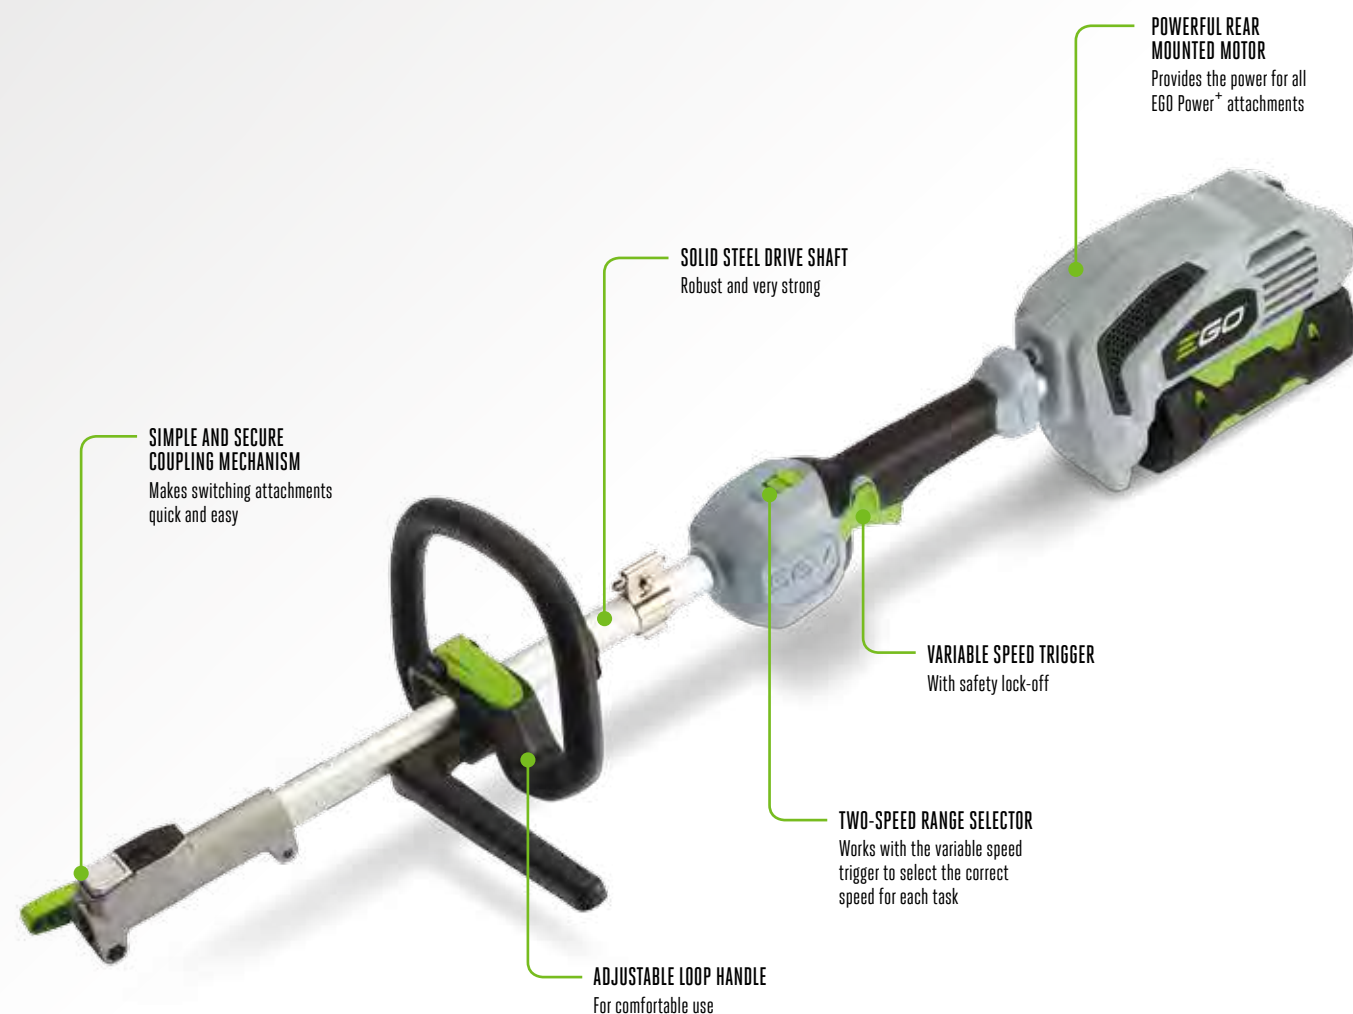

With a single power unit and many different attachments, it's easy to see why the EGO Power⁺ multi-tool is a very handy tool to have around. The simple and secure tool-free coupling makes switching attachments quick, easy and safe. And with our innovative Arc Lithium 56v battery supplying all the power you need, you can breeze through a variety of jobs without the fuss or fumes and with less noise than traditional petrol-powered tools. Plus the extension pole gives you the reach to tackle any height.

Attachments available:

- Hedge trimmer
- Pole saw
- Line trimmer
- Brush cutter
- Edger
- Extension pole

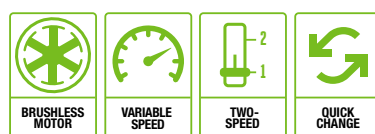

SWITCH ATTACHMENTS
QUICKLY AND EASILY

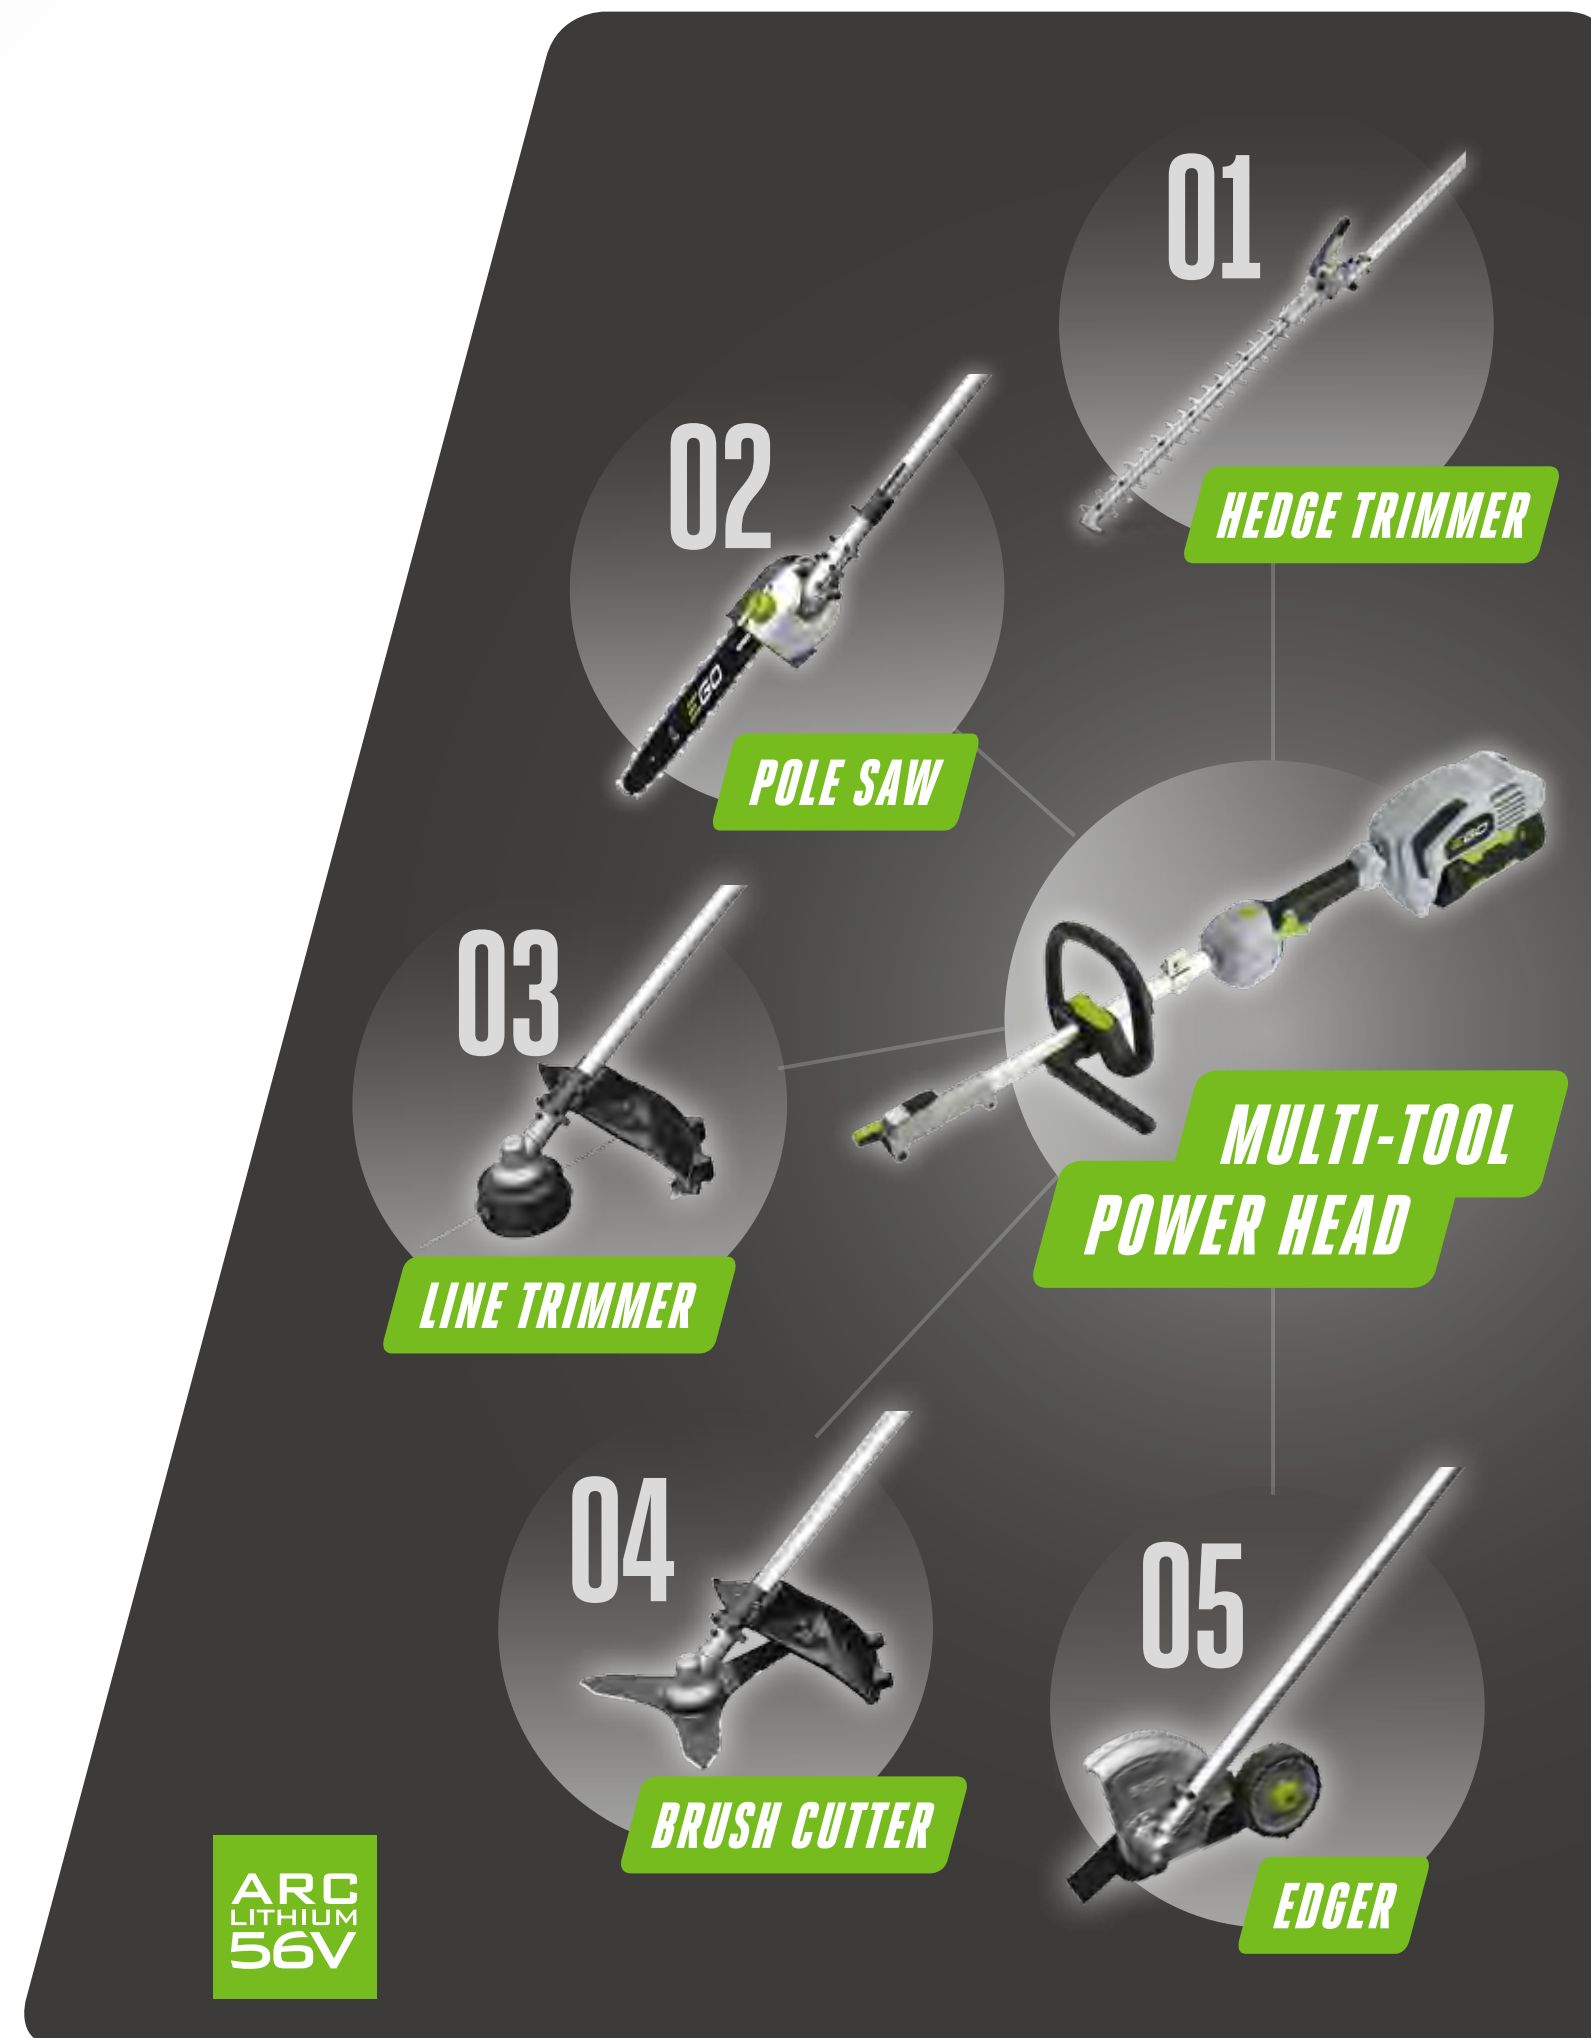

PH1400E
MULTI-TOOL POWER HEAD

With a powerful and smooth high-efficiency brushless motor, it's lightweight, perfectly balanced and ready for any job, big or small

	PH1400E
MOTOR TYPE	Brushless
ROTATING DIRECTION	Anti-clockwise
SPEED CONTROL	Variable speed
DRIVE SHAFT MATERIAL	7mm solid steel
DRIVE TUBE TYPE	Aluminium
COUPLING MECHANISM	Tool-free quick change
WEIGHT	2.7kg

EGO POWER⁺ MOWERS

Compact storage

VARIABLE SPEED SELF-PROPELLED MOTOR KEEPS YOU IN CONTROL AS YOU CUT

CUTS LIKE A PETROL MOWER. JUST CUTS OUT THE PETROL

Significantly quieter than a petrol mower and with far lower service costs and zero emissions during use, the EGO Power+ mower range offers a variety of large cutting capacities. This lets you comfortably tackle any lawn in less passes, while the large capacity bag needs emptying less often.

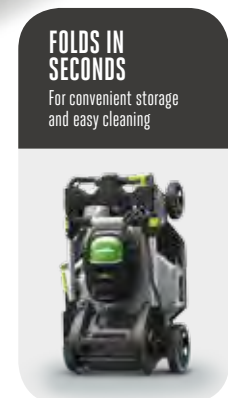

The variable speed self-propelled motor keeps you in control as you cut. Plus on a single charge our battery gives you up to 60 minutes run time*. Automatic Variable Speed on selected models, delivers optimal cutting speed to maximise battery run time whilst maintaining grass cutting performance.

The 3-in-1 functionality lets you cut, bag or drop clippings while the LED headlights let you work further into the day. And when you're done, the easy-fold design makes cleaning and storage simple.

*Run time can vary depending on model and battery as well as condition of grass and user operation technique.

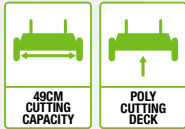

Please note: some features are not available on all models

LM2001E
49cm MOWER

POWER⁺ LINE TRIMMER
& BRUSH CUTTER

EGO POWER⁺ LINE TRIMMERS & BRUSH CUTTER

**CONSTANT
SPEED CONTROL**
ENSURES CONSISTENT TRIMMING

NO PETROL.
**JUST LOTS AND
LOTS OF POWER**

Powered by the Arc Lithium battery, the EGO Power⁺ line trimmers give you all the power you need to tackle the toughest jobs. The quick-adjust handle offers optimum balance and control and the large cutting swathe cuts any task down to size. Plus the soft-start function and constant-speed control ensures consistent trimming every time.

Other features include cutting speed selection, easy line replacement and twin line trimming for faster cutting and lower vibration.

Please note: some features are not available on all models

QUICKLY AND EASILY REPLACE THE LINE

The rapid reload head, on selected models, enables quick line replacement with perfect winding every time to eradicate the nuisance of poorly feeding line.

STEP 1
Line up the "load" lines and feed the line until equal amounts on both sides

STEP 2
Rotate the head and the line will perfectly wind into the spool

STEP 3
Once 15cm of line is visible on each side, the process is complete

ST1210E 30cm LINE TRIMMER

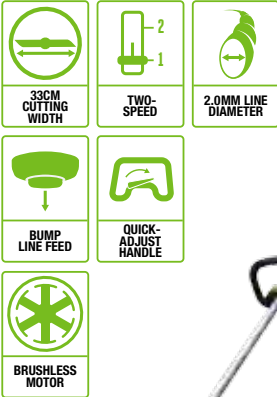

Single speed, 30cm cutting swathe with bump head line feed and easy line replacement

AVAILABLE AS A KIT

ST1300E 33cm LINE TRIMMER

Two-speed, 33cm cutting swathe with bump head line feed and easy line replacement

EGO POWER⁺ HEDGE TRIMMERS

Rotating rear handle

Two-speed selector

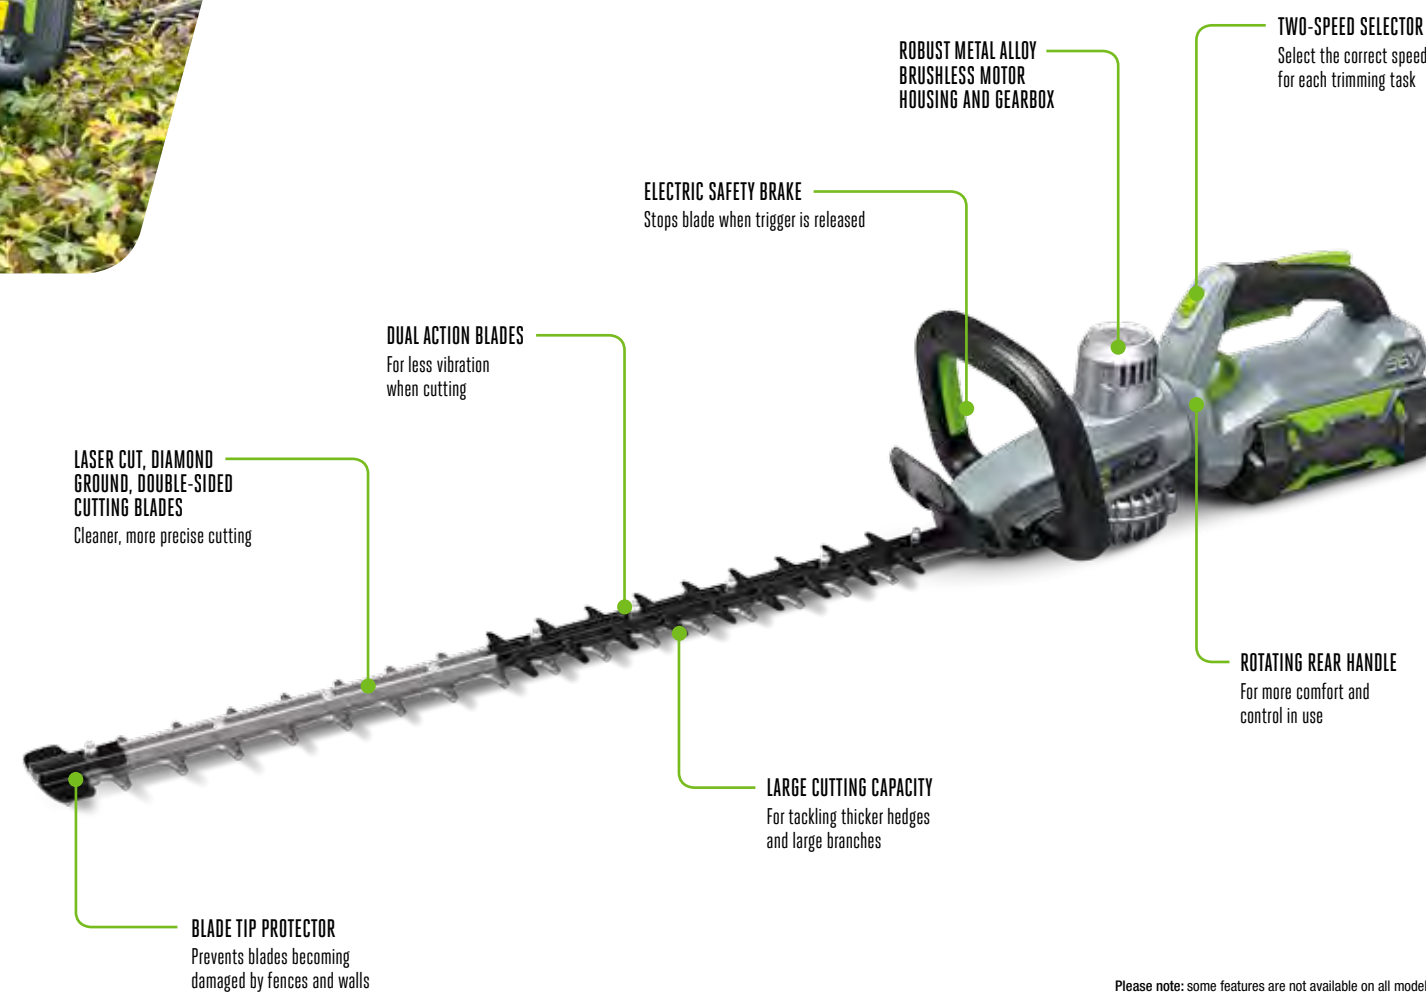

DIAMOND GROUND LASER CUT BLADES FOR PRECISE CLEAN CUTS

**BALANCED,
PRECISE,
POWERFUL**

Powered by the petrol-matching Arc Lithium 56v battery, a single charge delivers such impressive run times that you'll be amazed at how much hedge you can cut.

The well-balanced design also has a number of clever features to make using for long periods of time more comfortable. The rotating handle and dual trigger system provide enhanced user comfort and safety. While the smooth and quiet brushless motor and gearbox give you all the power you need, without the vibration, fumes and noise of a petrol engine.

Please note: some features are not available on all models

Available in 51, 61 and 65cm lengths, there's an EGO hedge trimmer for every size job.

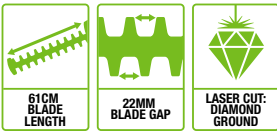

The EGO Power+ hedge trimmers feature double-sided knife-edge†, laser cut diamond ground blades for precise clean cuts. The two-speed selector lets you choose the right speed for every task and the large

cutting capacity means you can get to work on larger hedges with thicker branches and stems.

Blade-tip protection stops damage from fences and walls. For safer working, the safety blade guard helps prevent injuries while the electric brake stops the blades when the trigger is released.

SOUND PRESSURE (LpA)	83LpA 94LwA			79LpA 92LwA			80LpA 93LwA		
ROTATING HANDLE	No			45° and 90° left and right			45° and 90° left and right		
WEIGHT WITHOUT BATTERY	3.0kg			3.6kg			3.8kg		
MOTOR TYPE	Brushed			Brushless			Brushless		
VIBRATION (M/S²)	2.0/1.5			3.5/4.9			4.5/5.1		
AVAILABLE AS A KIT	Includes 2.0Ah battery and standard charger			—			—		

*Run time may vary and depend on the battery used, charge level of battery, condition of hedge, and user's operation technique.
†Available on selected models.

EGO POWER⁺ CHAIN SAWS

Durable Oregon bar and chain

TOOL-FREE CHAIN TENSIONING AND DURABLE BAR AND CHAIN

IT CUTS, CUTS AND CUTS SOME MORE

The EGO Power+ chain saw is built tough to tackle even the hardest jobs. Trunks, logs, branches, nothing gets in its way.

The tool-free chain tensioning makes set up and adjustment simple. Check the lubrication level through the oil inspection window and you're ready to go.

It really cuts it when it comes to safety too. The chain kickback and electric brake protect you while you work. And the auto-lubrication system keeps the chain spinning freely at all times.

Plus with EGO's Arc Lithium 56v battery delivering such an impressive run time and incredible power on a single charge, it'll keep you working cut after cut after cut.

AUTO-LUBRICATION SYSTEM
Keeps chain moving freely at all times

CHAIN KICKBACK AND ELECTRIC BRAKE
Keeps you safe and in control

TOOL-FREE CHAIN TENSIONING
For simple set up and adjustment

DURABLE OREGON BAR AND CHAIN
For superior performance cut after cut

OIL INSPECTION WINDOW
Check chain oil levels easily

HIGH-EFFICIENCY BRUSHLESS MOTOR
Delivers more power and greater run time

Tool-free chain tensioning

Oil inspection window

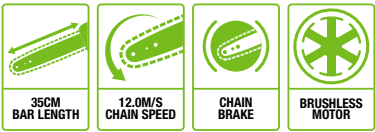

Chain kickback and electric brake

CS1400E
35cm CHAIN SAW

Featuring a 35cm bar length and 12.0m/s chain speed

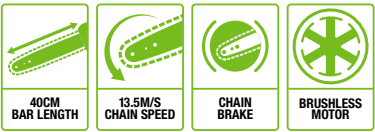

AVAILABLE
AS A KIT

CS1600E
40cm CHAIN SAW

Featuring a 40cm bar length and 13.5m/s chain speed

	CS1400E			CS1600E		
BLADE LENGTH	35cm			40cm		
CHAIN SPEED	12.0m/s			13.5m/s		
RUN TIME*	BATTERY SIZE			BATTERY SIZE		
	2.0Ah	4.0Ah	7.5Ah	2.0Ah	5.0Ah	7.5Ah
	Up to 100 cuts	Up to 220 cuts	Up to 450 cuts	Up to 100 cuts	Up to 300 cuts	Up to 450 cuts
CHAIN BAR	AG1400			AG1600		
CHAIN TYPE	AC1400 (90PX – 3/8" x 1.1mm)			AC1600 (90PX – 3/8" x 1.1mm)		
OIL RESERVOIR	150ml			150ml		
CHAIN OIL	Automatic			Automatic		
CHAIN BRAKE	Yes			Yes		
NOISE RATING	86LpA 100LwA			85LpA 99LwA		
VIBRATION (M/S²)	5.4/4.1			3.0/3.2		
CHAIN TENSIONING	Tool free			Tool free		
WEIGHT WITHOUT BATTERY	3.7kg			3.86kg		
MOTOR TYPE	Brushless			Brushless		
AVAILABLE AS A KIT	Includes 2.0Ah battery and standard charger			–		

*Run time may vary depending on the charge level of the battery and user's operation technique. Based on 100mm x 100mm cuts.

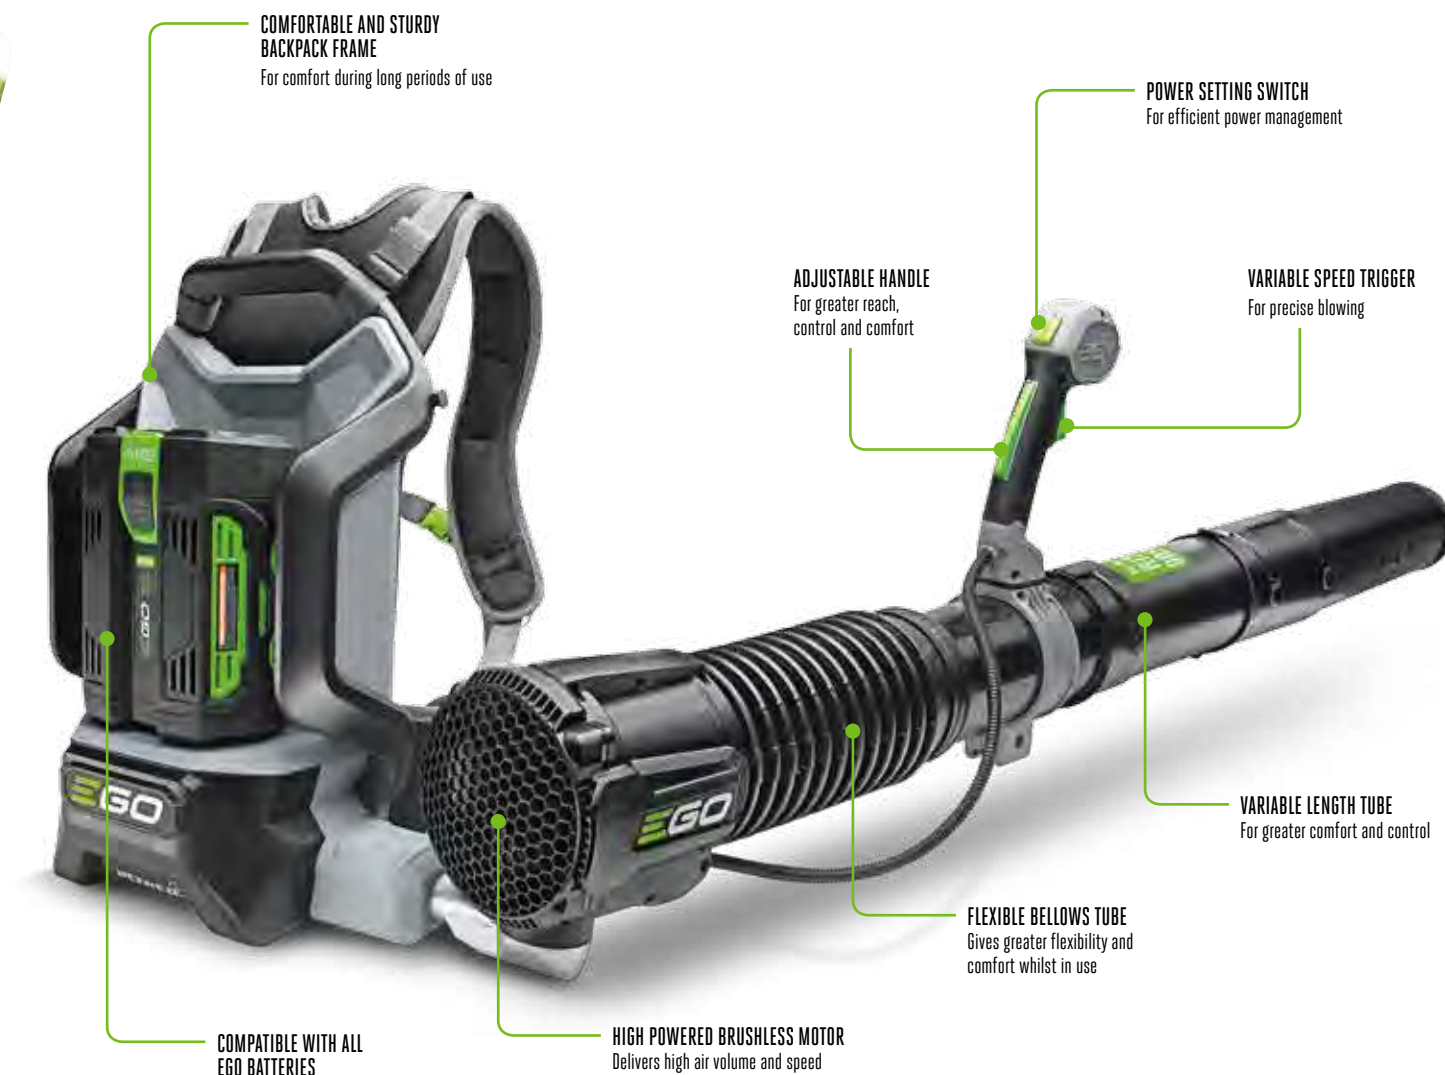

EGO POWER⁺ BLOWERS

THE BACKPACK BLOWER THAT PACKS A PUNCH

Big jobs need big power. And that's what the EGO Power+ backpack blower delivers. With the ability to blow over 1020m³ of air per hour on Turbo Boost mode, the leaves don't stand a chance. With up to 2 hours run time* you can cover plenty of ground too.

But there's more to this clever blower than simply packing a punch. The smooth brushless motor significantly reduces vibration compared to its petrol-powered equivalents. It's a lot quieter too. The comfortable padded backpack frame supports the blower, taking the strain off your arm and distributing the weight more ergonomically, making the backpack blower perfect for those really big jobs.

LB6000E BACKPACK BLOWER

The hugely powerful, yet ergonomic design is easy to use and packed with all the features you need

	LB6000E		
	Low	High	Boost
RUN TIME (5.0Ah)	120 mins	22 mins	15 mins
AIR VOLUME (M³/H)	440	850	1020
AIR SPEED (KM/H)	80	160	192
FORCE (N)	19		
MOTOR TYPE	Brushless		
NOISE RATING	83LpA 97LwA		
VIBRATION (M/S²)	1.5		

*120min. @ 440 m³/h w/5.0Ah battery - Min. air setting

Compatible with EGO Power+ backpack battery

Turbo button

BLOWS PETROL-POWERED BLOWERS OUT OF THE WATER

Powered by a high-efficiency brushless motor, the EGO Power+ blowers feature jet turbine technology and large diameter tube to give maximum airflow. With a variable speed function designed to keep you in control, selected models also feature a Turbo Boost mode, delivering extra power for those hard to move objects. More than most handheld petrol blowers on the market. That's more than enough power to clear up even the biggest windfall.

**JET TURBINE TECHNOLOGY
WITH LARGE DIAMETER TUBE
TO GIVE MAXIMUM AIRFLOW**

VARIABLE SPEED CONTROL
Adjust between 440m³/h and 675m³/h output

TURBO BOOST MODE
For a 900m³/h petrol-blower beating output

HIGH-EFFICIENCY BRUSHLESS MOTOR
Delivers more power and greater run time

TURBINE FAN ENGINEERING
Utilises advanced aeronautics technology

LARGE BLOWER TUBE
Greater diameter delivers maximum airflow

Please note: some features are not available on all models

Variable speed control

LB4800E
BLOWER

Variable speed setting, large blower tube, up to 810m³/h output in Turbo Boost mode

AVAILABLE AS A KIT

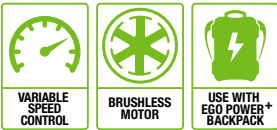

LB5300E
BLOWER

Variable speed setting, large blower tube, up to 900m³/h output in Turbo Boost mode

LB5750E
BLOWER

Variable speed thumb selector for added airflow control with single handed use, more than 977m³/h output in High mode

NEW FOR 2017

EVERYTHING YOU NEED TO KEEP YOU CUTTING, MOWING AND BLOWING

We've got everything you need to keep you working. And everything in the EGO Power+ range is made with the same care and precision as our power tools.

EGO POWER+ ADAPTOR

ADB1000

Adaptor for BAX1300

EGO POWER+ MULTI-TOOL BLADES, CHAINS AND BARS

AEB0800

Multi-tool edger blade for EA0800

AC1000

Multi-tool pole saw chain for PSA1000

AG1000

Multi-tool pole saw bar for PSA1000

ABB1203

Multi-tool brush cutter blade for STA1500, BCA1200 and BC3800E

EGO POWER+ MOWER BLADES

AB2001

High lift blade for LM2001E, LM2011E, LM2014E-SP, LM2020E and LM2024E

AB2101

High lift blade for LM2102E-SP

AB2000

Standard blade for LM2001E, LM2011E, LM2014E-SP and LM2024E-SP

AB2100

Standard blade for LM2102E-SP

EGO POWER+ TRIMMER LINES

AL2015R

15m 2.0mm round line with line cutter for ST1210E

AL2050R

50m 2.0mm round line with line cutter for ST1210E

AL2015T

15m 2.0mm twist line with line cutter for ST1300E

AL2050T

50m 2.0mm twist line with line cutter for ST1300E

AL2415T

15m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

AL2450T

50m 2.4mm twist line with line cutter for ST1500E, ST1500E-F, BC1500E-F, BC3800E and STA1500

EGO POWER+ LINE TRIMMER SPOOLS

AS1301

Spool with 2.0mm round line for ST1210E. 7 metre line length

AS1302

Spool with 2.0mm twist line for ST1300E. 7 metre line length

AS1300

Spool with 2.4mm twist line for ST1500E and BC1500E. 5 metre line length

EGO POWER+ LINE TRIMMER RAPID RELOAD HEAD

AH1500

Rapid reload head (clockwise rotation) for ST1500E-F and BC1500E-F. Supplied without line

AH1501

Rapid reload head (anti-clockwise rotation) for BC3800E and STA1500. Supplied without line

EGO POWER+ HEDGE TRIMMER TIP PROTECTOR

ATP2000

Tip protector for HTA2000

EGO POWER+ CHAIN SAW CHAINS

AC1400

90PX chain for CS1400E

AC1600

90PX chain for CS1600E

EGO POWER+ CHAIN SAW BARS

AG1400

35cm guide bar for CS1400E

AG1600

40cm guide bar for CS1600E

EGO POWER+ BLOWER NOZZLE

AN5300

Nozzle for LB5300E, LB5600E and LB5750E

EGO POWER+ SHOULDER STRAPS

AP1500

Single-shoulder harness with loop, one hook for ST1210E, ST1300E, ST1500E, ST1500E-F, LB5300E, LB5600E, LB5750E, BC1500E, BC1500E-F and BC3800E

AP4800

Single-shoulder harness without loop, two hook for LB4800E

EGO POWER+ HARNESSES

AFH1300

Double-shoulder harness with padded comfort straps for BAX1300

AP1500D

Double-shoulder harness for BC1500E, BC1500E-F and BC3800E

AP1300

Replacement double-shoulder comfort straps for AFH1300

AHP1300

Hip pad harness attachment for BAX1300

EGO POWER+ PROTECTIVE CLOTHING

GV001

Multi-purpose synthetic work gloves. Sizes from Small to XX-Large available

GV002

High quality multi-purpose goat skin work gloves. Sizes from Small to XX-Large available

GS001

Essential clear safety glasses

GS002

Essential grey safety glasses

GS003

Essential yellow safety glasses

EGO POWER+ MULTI-TOOL ICONS

Switch tools quickly for each task

For comfort and versatility

Lightweight and extremely strong

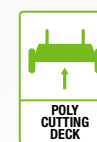

EGO POWER+ MOWER ICONS

Cutting width to suit any size lawn

Variable speed to suit your walking pace

Light and manoeuvrable, while remaining durable

Tough and durable cutting deck

Motor adjusts to grass conditions, saving energy

Highly efficient and powerful maintenance-free motor

EGO POWER+ LINE TRIMMER AND BRUSH CUTTER ICONS

Wide cutting swathe for faster, more efficient trimming

Wide cutting width for fast and effective trimming

Enhanced durability and simplicity

Two-speed motor adjustable for task and economy needs

Constantly adjustable speed to match the needs of the task

Ideally suited to the tool for the best cutting results

Simple line feeding making work simple and efficient

Fast and tool-free line reloading

Adjust handle without additional tools

Work all day in comfort

EGO POWER+ HEDGE TRIMMER ICONS

Ideally suited to the tool for the best cutting results

Enabling precise and clean cutting

Two-speed motor adjustable for task and economy needs

Precisely cut and sharpened for great results

Less vibration to tackle the toughest jobs

Rotating rear handle for greater comfort and versatility

Highly efficient and powerful maintenance-free motor

Work all day in comfort

EGO POWER+ CHAIN SAW ICONS

Ideal for all cutting tasks

Smooth and fast cutting

Enhancing safety while in use

Highly efficient and powerful maintenance-free motor

EGO POWER+ BLOWER ICONS

Increased power to clear large areas

Constantly adjustable speed to match the needs of the task

Highly efficient and powerful maintenance-free motor

Work all day in comfort

WARRANTIES YOU CAN RELY ON

Domestic use

Commercial use

At EGO we pride ourselves on manufacturing products that are not only innovative and easy to use, but reliable and robust too. And however unlikely our products are to go wrong, it's good to know that all our products are covered by a warranty* you can rely on. All EGO Power+ products come with a domestic user 5 year warranty on tools and 3 year warranty on batteries. The warranty for commercial users is 1 year.

The support of our service dealer network

With a nationwide network of EGO approved service dealers, you're never too far from the support you need. From selecting the most suitable tools for your needs to providing an outstanding after sales service, get great face-to-face advice whenever you need it.

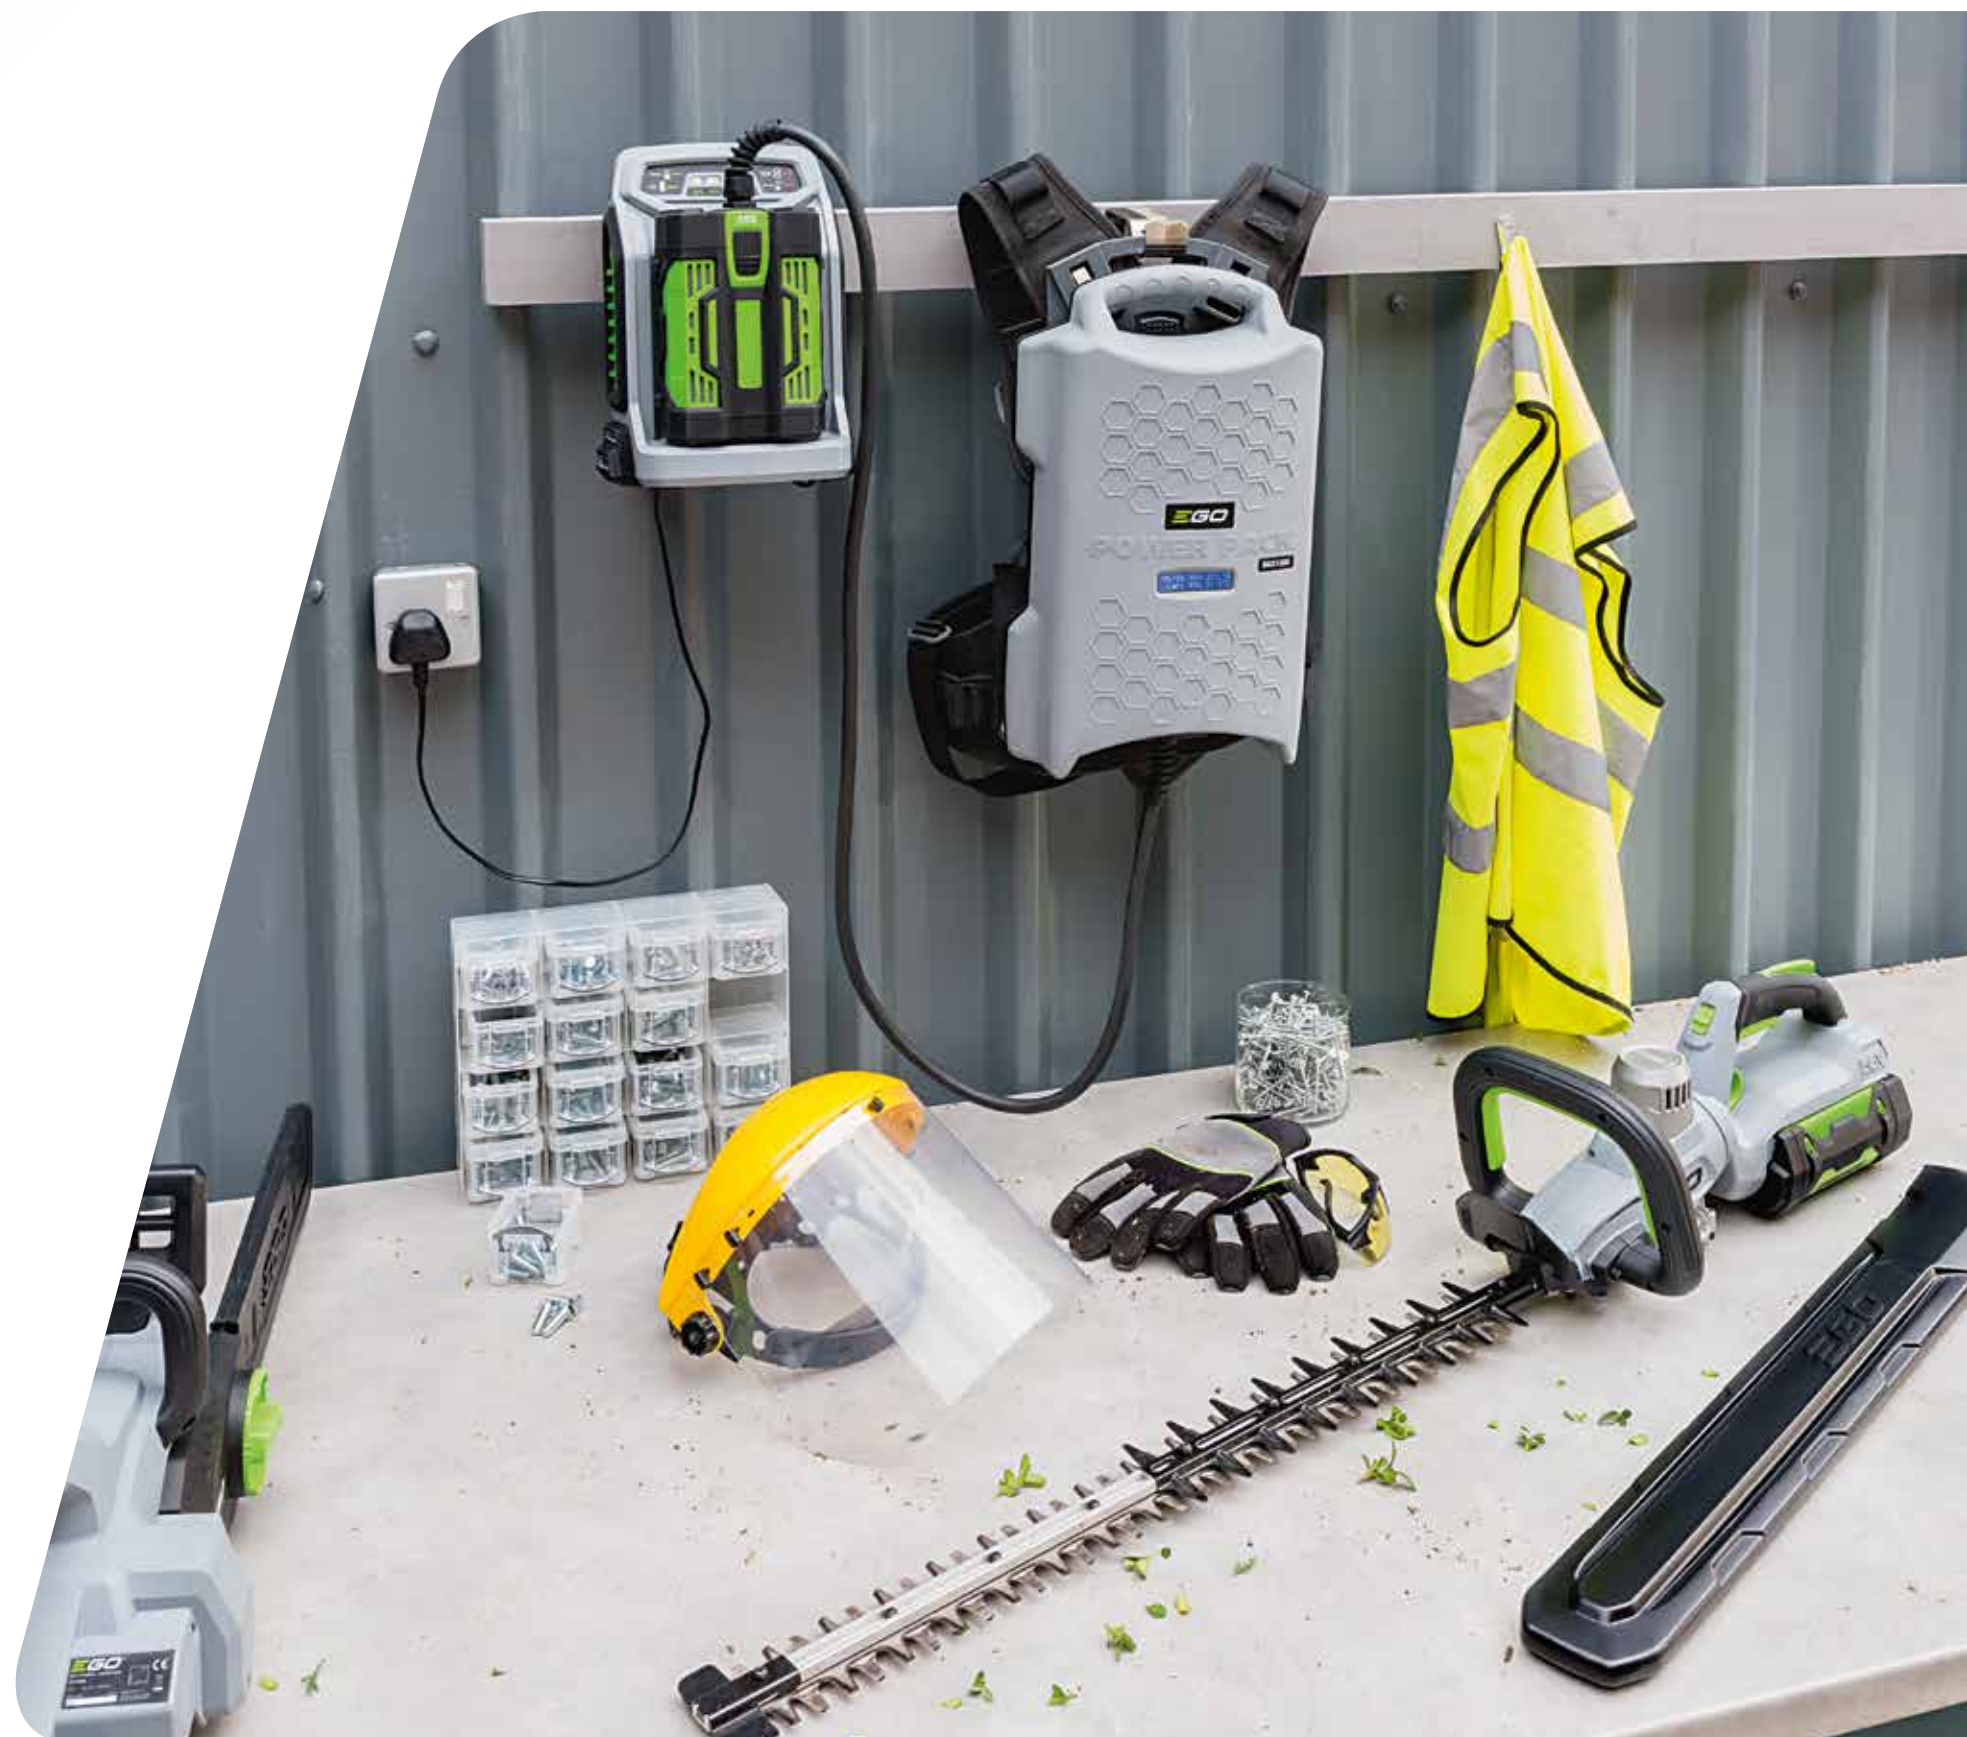

Original spare parts

We're here to keep your tools running for years to come. We can provide the spare parts to extend the life of the tool.

Committed to quality

We're one of the biggest power tool manufacturers in the world with over 5,500 employees and over 10 million units manufactured each year. To make sure our tools combine petrol-matching power with the ease of use and reliability you need, we've invested heavily into research and development to become one of the world leaders in battery technology. Our advanced manufacturing process is highly digitalised and automated to ensure the consistent high quality and performance of our tools.

*For defects caused by material or manufacturing fault. This does not cover wear and tear.
